COMMUNITY INVOLVEMENT

INDEPENDENT INSURANCE

AGENTS FOR A CURE

POWERED BY SIUPREM / SIU

Making
Strides
Together!

SIU and Siuprem agency partners are automatically members of Independent Insurance Agents for a Cure (IACure). Formed in 2013, IACure has generated over \$500,000 to support the American Cancer Society and Breast Cancer Awareness.

The more Commercial P&C policies written and financed with Siuprem the greater the annual contribution. \$5 is donated for every commercial premium finance contract written by an IACure member.

The annual gift helps create recognition for our agency partners through IACure.com. The partnership between IACure, SIU, Siuprem and the American Cancer Society grants members the ability to publicize support. We encourage all agents to display the logo and print material for community members to recognize their support of the American Cancer Society. We thank all our member agencies and together we are going to win the fight!

OUR MISSION

We are a community of Independent Insurance Agents leading the fight against Cancer by generating awareness, education, and action in their communities in support of the American Cancer Society's mission of curing cancer for all.
