

Four Lorain County Main Street organizations got together to find a way to support our local small businesses challenged in many ways by the COVID-19 pandemic. We knew many businesses were suffering financially and reopening provided many challenges, one being finding and purchasing the items required for safety of their employees, clients, customers.

So, we put our heads together, enlisted the financial support of local foundations (*and several unnamed donors*), ordered supplies, and put them in **COME BACK KITS**. We hope you can use the items in the kit and that they will help you follow the State's guidelines. If you do not need something that is in the kit, please share with another business or return it to your Main Street. We will find someone who can use it.
