

OBP | Positively Oberlin! Announces our NEW MOBILE APP!

OBP is pleased to announce that **Positively Oberlin! our new mobile app**, is a part of a growing nationwide network for Main Street communities. It's a great way for you to know all the great things going on in Oberlin and as you visit other communities with the **distrx** mobile app.

To get started, download the **distrx mobile app on your phone. It is available free on the App Store and Google Play.**

Your active participation will ensure you stay apprised of all things happening in Oberlin and offer you participation in future activities such as scavenger hunts and contests. And best of all, it is part of a growing national network that includes Main Streets and Downtowns across the country.

Your Oberlin business can be represented on the app by going online to <https://distrx.com/>, click SIGN UP, enter Oberlin's zip code 44074, click *SEARCH*, and add your business information on the next screen. You will be sent an email to finish your listing.

Thank you for being part of this exciting new technology!

***OBP. . . Keeping you informed & helping businesses
Connect, Grow, and Thrive!***
