Who will take home the first-place prize this year?  
Congratulations to the 2021 winning team--Paul Davis Restoration

## YOU'RE INVITED

### 4th Annual Kickball Tournament

We are looking forward to this annual event when adults take over the ball fields for a day of fun playing a childhood favorite--kickball! It is a great team bonding opportunity for local businesses to gather members of their staff and enjoy an out of office activity having fun and meeting others.

Come out and cheer on the teams and grab lunch at the food trucks onsite from 11:30am-2:30pm.

## GET INVOLVED!

I have lived in Woodbury for more than 15 years, but it is my service as a Woodbury Chamber board member that allows me to make an impact on the community and establish personal and professional relationships. Being involved in the chamber has also had a direct impact on my business successes; providing the opportunity for people to get to know me on a personal level before becoming clients. Similarly, I am able to confidently connect my clients and personal friends with other chamber member businesses.

If you are looking for a volunteer opportunity that advocates for the business community while establishing deep and meaningful connections, consider serving on the board of directors. It is a great way to engage and grow personally and professionally. Reach out to me or Chamber President Laurie Staiger for more information.

### Get Busy #LIVIN

Hear how a simple concept helped morning radio personality Paul Thomas (PT) overcome the darkest of moments...hopefully it can do the same for you in your life. "PT" is half of "Thunder and PT" mornings and is also the founder of the LIVIN Foundation, a volunteer run mental health non-profit for suicide prevention. Having struggled with mental health after the loss of his father to suicide, PT speaks from the heart regarding the pain with which many people struggle. An eternal optimist, PT has a way of turning even the rotten lemons into lemonade.
