PRESIDENT'S MESSAGE

Laurie Staiger
Chamber President

President/air

The annual Mayoral Business Update was a huge success with a packed house of nearly 100 members! The great energy in the room was palpable and there was much to be proud of. Woodbury continues to receive huge accolades from across the nation and much of our success is due to the strong business community.

We look forward to increasing that spark of energy at our next two annual events which are both around the corner. The Woodbury Community Awards Gala is January 20 and is featuring a Havana Nights theme. What a great way to warm up on a cold winter's day. Registration for your tickets is open and we are seeking key sponsorship to ensure the success of this event. We are also accepting silent auction items and donations of wine to support the wine pull. Contact Michele at the office for more details.

The Woodbury Community EXPO will be on April 1 at East Ridge High School. We are expecting this to create a huge buzz once again with 160+ exhibitors and a full slate of entertainment on two stages. Registration for exhibitors and sponsors is now open. If you are a business to consumer organization, this is a can't-miss opportunity!

We wish you a very strong and successful finish to the year!
