Terminology Guide —

Spot — The space booked by a client for the digital sign. There is a maximum of 20 spots, each 25 seconds long, guaranteeing the advertiser that their advertisement will be displayed every 8.33 minutes, 24 hours a day for the duration of the contract.

Flight — The 4-week period the ads are scheduled to display and are billed.

Run — One complete sequence of all ads equalling 8.33 minutes at most (20 spots/25 seconds)

Cycle — The pre-determined client's schedule displaying different ad copy during each flight.

1. The client, at their expense, agrees to supply the completed required message to the Stony Plain & District Chamber of Commerce two (2) full working days prior to the commencement of each flight. Submitted artwork must meet the requirements as laid out in the Design Guidelines.
2. The client is permitted to change their ad copy every four weeks (each flight) at no additional charge. Should there be a requirement to change the ad copy more frequently, there will be a charge of \$75.00 per copy change.
3. The client cannot assign or sublet any privilege or advertising space under this contract without the written permission of the Stony Plain & District Chamber of Commerce.
4. The client agrees to indemnify the Stony Plain & District Chamber of Commerce from and against any and all claims, losses, suits, or actions as a result of any message that is defamatory, libelous or arises out of a breach of patent, trade marks, or copyright, or which contravenes any statute, by-law, or regulation passed by any legally constituted governing body.
5. The Stony Plain & District Chamber of Commerce has the right and will reject or remove any message that does not meet the approval of the Canadian Advertising Standards Council or is unacceptable to the Stony Plain & District Chamber of Commerce in their sole discretion.
6. This contract contains the full agreement between the parties and no amendments, conditions, terms, agreements or representations shall be binding upon either party unless incorporated by writing into this contract.
7. The Stony Plain & District Chamber of Commerce is not responsible for any failure in its digital signs whatsoever. Should a failure of the sign to operate arise, the client shall be entitled to additional time equal to the missed runs.
8. The Town of Stony Plain has sole control of Emergency Messaging. Emergency Messaging refers to a situation that poses an immediate risk to life and or health that requires urgent intervention to prevent a worsening situation. All other messaging may be removed.
