

Are you a part of the vibrant community of **Westview** subzone?

If so, your input is vital!

Join Us in Shaping Your Healthcare Future

Alberta Health Services is embarking on a journey to create a Clinical Service Plan that reflects the community's needs. Your voice matters in identifying health needs, services, and resources in your community.

What Matters to You in Healthcare?

We want to hear what truly matters to you or the individuals your organization serves. Share your thoughts on the future of healthcare in your community.

Envision Care in Your Community

What does the ideal 'care in your community' look like to you? Your insights will help shape the future of healthcare services.

Online Engagement Opportunities

Join us online to participate in an engagement session:

- Monday, November 20: 3:30 PM - 5:00 PM (Westview Subzone)
- Monday, November 27: 6:30 PM - 8:00 PM (All Subzones)

If you're unable to attend your specific subzone session, we encourage you to join the 'All Subzones' session. Alternatively, you can visit the **Together4Health project page** at - <https://together4health.albertahealthservices.ca/ez-clinical-service-planning> to provide your valuable input and stay updated on the project's progress.

Your participation is key to creating a healthcare system that meets your needs. Let's work together for a healthier, stronger community!
