WHY JOIN THE CHAMBER?

Working to benefit YOU!

VISIBILITY

All members are listed on our new website and randomly spotlighted on our Facebook page. They can be listed on Merchant Bucks, sponsor an event or put items in our Welcome Buckets.

Vendor/booth fees are less for members! They also have the opportunity to provide other members discounts at their business, as well as receive discounts.

REFERRALS

The Chamber recommends our members first, and provides information to visitors throughout the year.

MEMBERS GET MORE!

INFORMATION

Members receive a bimonthly newsletter, special invites to events and updates on Chamber happenings.

Get people in your door by hosting a First Friday Coffee or an After Hours event at your business. Chamber members have the opportunity to meet new people in the community.

GROWTH

Each new membership means more dollars are being put back into our community. Get involved by serving on a Chamber committee. We also have an Economic Development committee and ED Consultant!
