Short Sands Beach, York, Maine

When you think of Maine you might envision a relaxing day, listening to the comforting roar of the beautiful ocean waves and soaking up the warm sunshine on a sandy beach with family and friends. Short Sands Beach delivers all you are looking for. Small in size, it is perfect for families with young children, who enjoy calm, clean water, lifeguards, and restrooms, along with a playground and basketball court. Downtown York Beach is a short walk from the beach providing easy access to shops, restaurants, hotels and attractions which include York’s Wild Kingdom Zoo and Amusement Park as well as Fun-O-Rama Arcade and Bowling.

Long Sands Beach, York, Maine

Located halfway between the villages of York Harbor and York Beach, Long Sands Beach offers a mile of white sandy beach. Long Sands Beach is York’s most popular beach for visitors and locals. From mid-June to Labor Day the beach will have as many as three to five thousand visitors daily. You will also be able to spot a distant view of one of the most photographed lighthouses in the world known as Nubble Lighthouse. Popular activities include swimming, sunbathing, surfing, and volleyball. You will find a clean and convenient bathhouse open all season long.

York ~ Mount Agamenticus

Mount Agamenticus is set amidst a 13,000 acre expanse of intact forest in southern Maine and is one of the largest remaining unfragmented forests in coastal New England. The region is noted for its rich natural resources and outdoor recreational opportunities. The land encompasses vernal pools, drinking water reservoirs, abundant biodiversity, and a network of 40 miles of well maintained trails.

Year round activities include picnicking/sightseeing, birding, hiking, and mountain biking. A self guided StoryWalkTM can be picked up at the base and the pages can be followed along the Ring and Witch-hazel trails to the summit. Picnic tables, seasonal portable toilets, and decks offering spectacular views of distant mountains, inland ponds and the ocean are located at the summit. The Mount Agamenticus Learning Lodge, a converted summit ski lodge, is open to the general public on weekends from 11am-3pm from Memorial Day Weekend through Columbus Day Weekend. Inside you will find a variety of educational activities and displays for all ages.

The area is open year round during daylight hours. Donation tubes area available at the base trail head and by the summit kiosk. Larger groups are asked to register in advance. Parking and trail access can be found the base or a paved access road can be driven to the summit park. For more information including directions, rules, trail map, guided programs and how to register, visit agamenticus.org or call the conservation office: (207) 361-1102.

South Berwick ~ Vaughan Woods

Go for a hike at Vaughan Woods State Park located at 28 Oldfields Road in South Berwick, Maine. Vaughan Woods Memorial State Park is a 250-acre forested tract along the scenic Salmon Falls River. The park includes picnic facilities and hiking trails through old-growth stands of pine and hemlock. Hiking is available on several trails that connect to make up one large loop, a system of 3+ miles. Visitors can walk shorter looping sections if they choose. There is a gate fee. Park Season: (207) 384-5160. Maine.gov/vaughnwoods.
Eliot ~ Eliot Boat Basin

Located on the Piscataqua River, the Boat Basin features a public boat launch, sometimes referred to as “Dead Duck Landing” by locals, as well as a pavilion (available for rental) and park area. Fees are charged for the boat launch. Access the boat basin via Route 103 in Eliot; the address is 90 Hammond Lane. Call (207) 451-9334. Visit eliotcsd.org for more information.

Kittery ~ Fort Foster

Fort Foster was originally built in the early 1900’s and was an active fortress manned during World War II. It is now owned and operated by the town of Kittery as a public recreation, picnic and beach facility. Fort Foster offers views of Whaleback Light, Portsmouth Harbor Light and Fort Constitution; explore the extensive trail system and old military fortifications. Leashed dogs are allowed, just make sure to obey the signs. Fort Foster is located on Pocahontas Road on Gerrish Island in Kittery Point. Open weekends May - September, seven days a week between Memorial Day and Labor Day. A gate fee is charged. Call the Fort Foster Gate House (open seasonally) at (207) 439-2182.

Kittery ~ Fort McClary

Explore Fort McClary State Park located on Route 103 in Kittery, Maine. Fort McClary was named for New Hampshire native Major Andrew McClary who died at the Revolutionary War’s Battle of Bunker Hill. Fort McClary stands today as one of the state’s most important historic forts that dramatically preserves evidence of military history and changes in military architecture and technology. The buildings presently on the site represent several different periods of construction as the fort was upgraded and modified to meet the area’s defensive needs. The site was manned during five wars: The Revolutionary War, War of 1812, Civil War, Spanish-American War, and World War I. Like most other Maine forts, it saw little conflict. The fort provides great photo opportunities of Portsmouth Harbor Light and the old Portsmouth Naval Prison. A gate fee is charged. Park Season: (207) 439-2845. Off Season: (207) 490-4079.
Cape Neddick Light / Nubble Light 1879

Officially the Cape Neddick Light Station, it was built in 1879 for $15,000 on a nub of land—thus the Nubble. It was first lighted on July 1, 1879. The current beacon is a 1000 watt bulb behind red plaxiglass. It flashes 3 seconds on and three seconds off. It is visible for 13 miles. The automated foghorn is activated by the atmosphere and blasts every 10 seconds.

The tower is 41 feet high and 88 feet above sea level. It is built of brick that has been covered by metal sheathing. Thirty-three circular iron steps go up to the lantern room. The first innkeeper was Nathaniel Otterson, and the last was Russell Ahlgren. The light was automated in 1987.

Living quarters consisted of 3 bedrooms, kitchen, dining, living, and pantry. The smaller red house was once used for fuel and the little white house was a workshop. The light is maintained by the Coast Guard, but the Town of York owns the property and buildings. It is maintained by the York Parks and Recreation Committee. FMI: (207) 363-1040. There is no public access allowed on the island.

The Sohier Park, which is located on the mainland, has ample parking for visitors as well as benches and rest room facilities. Animals must be leashed. Sohier Park is located off Nubble Road in York Beach. A gift shop full of lighthouse memorabilia is manned by volunteers from May through October. Proceeds from the sale of goods there go toward the maintenance of the park and lighthouse. FMI: gift shop (207) 363-3569.

This lighthouse is one of the most photographed and painted in the world. Thousands of people visit it annually, and twice a year the lighthouse is outlined in Christmas lights and lit at night in special celebrations. Christmas in July is part of the York Days celebration held during the last week in July and the first week of August. The Lighting of the Nubble celebration is held on the Saturday after Thanksgiving from 5pm to 7pm. Hot cocoa and homemade cookies are provided free of charge during the Christmas carols. Then Santa arrives via fire truck to flick the switch, turning the lights on. The lights stay on at night until January 1st, weather permitting.

For updated information about the lighthouse, please visit nubblelight.org
Boon Island Light 1811/1855

133' gray granite conical tower, located offshore nine miles east of York Beach.

After a particularly grizzly episode of cannibalism on this desolate rock pile, locals left food and clothing here for use of any shipwreck victim; hence the somewhat ironic name, "Boon." This tiny island, about nine miles off the coast of York, has been continually submerged by storms and the light has been rebuilt several times. Today its brick cylinder rises 137 feet, making it Maine's tallest lighthouse. It is not open to the public but can be seen from Sohier Park, off Nubble Road, in York Beach and as part of local lighthouse cruises. Boon Island Lighthouse was built in 1811.

Whaleback Light 1831/1872

75' gray granite conical tower on a reef.

This light guards the entrance to Portsmouth Harbor, and looks as its name suggests: like a lighthouse perched atop the back of a whale, or some other sea creature. It is closed to the public but can be seen from Fort Foster in Kittery and from the water. Whaleback Light was built in 1831.
THE COMMUNITIES OF THE YORK REGION

Our towns are some of the oldest in Maine, settled in the early 1600s. A significant number of historic buildings remain, creating warm neighborhoods and lovely scenic drives. We are a four-season destination, and a wonderful place to work and play! Portions of the Eastern Trail, the interstate bicycle trail, wind through Kittery, Eliot and South Berwick. Mt. Agamenticus is a shared resource area that boasts fantastic views of the region on a clear day, as well as hosting trail bikes, hikers and birdwatchers. Our long, sandy beaches, great shopping and unique cultural assets make our region a “must see”!

THE YORKS . . . yorkmaine.org

Composed of what were once four smaller communities, the towns of York Village, York Harbor, York Beach and Cape Neddick formed under one government to create this beautiful and diverse town. It is famous for its long sandy beaches, and safe, family-friendly beach-town atmosphere. As each year passes, the area becomes more of a destination for weddings, family reunions, or just a place to get away. Nubble Lighthouse is one of the most photographed lighthouses in the world and is a popular spot for residents and visitors alike. It has a small park with benches that make it a peaceful place to rest and reflect. Mt. Agamenticus is a popular recreation area for hiking, biking and picnicking. The Museums of Old York maintain numerous historic buildings including Jefferds’ Tavern, the John Hancock Wharf, the Old Goal (America’s oldest jail), the Emerson Wilcox house. This museum is located in the heart of York Village and offers lectures and special events throughout the year. It is open for tours in the summertime. Lobstering, fishing, boat building and farming were the foundations of the economy until the late 1800s when the southern Maine coast began to attract summer visitors in large numbers. A family favorite is a visit to our zoo & amusement park. The proximity of the Yorks to the cultural centers of Boston and New York City continue to make it one of the most sought-after places to live in southern Maine. Once a summer-season-only resort area, York has become a year-round vacation destination.
KITTERY . . . kitteryme.gov

Our gateway town, the oldest incorporated town in Maine, guards the mouth of the Piscataqua River and is the halfway mark on Interstate 95 between Boston MA and Portland ME. As you take a scenic drive along US Route 103 to Kittery Point, you will pass the gates of the 200 year old Portsmouth Naval Shipyard; the historic Lady Pepperrell House; Fort McClary, built in 1690, now a state park; and Fort Foster located at the end of Pocahontas Road, which was once a fortress manned during World War II, is now a public recreation and beach facility. Along with the beautiful homes and gardens, there are remnants of the fishing, shipbuilding, and other marine-related industries that were once the center of Kittery’s economy.

Today downtown Kittery, sometimes known as Kittery Foreside, has become a gathering place for artists, specialty shops, and fine dining. The Kittery Outlets, located along the Route One corridor, provide a variety of shopping experiences.
ELIOT . . . eliotmaine.org

Once a part of Kittery known as the Upper Parish, the town separated from Kittery in 1810. The 747-ton Elizabeth Hamilton, and the clipper ship, The Nightingale, were launched from Eliot’s shores, as were numerous smaller craft. Eliot was the site of the first Quaker Meeting House in 1776, and it is also the international home of the Baha’i faith. Primarily a farming community in its earlier years, Eliot was also known for its brick-making industry. The town meanders along the shores of the Piscataqua River opposite the cities of Portsmouth and Dover, NH. Take River Road for scenic views of the Piscataqua River and across to Great Bay. Also on the southern end of US Route 103 Main St., there is an active public boat launch along with a family picnic area and pavilion.

SOUTH BERWICK . . . southberwickmaine.org

Home of the oldest power mill in America, this community has had a diverse economy that included textile and shoe manufacturing, farming, timber and fishing. During its heyday, a boat called a gundalow was built to haul goods from the smaller inland rivers to the faster-moving Piscataqua River. Historic homes including the Sarah Orne Jewett House and the Old Hamilton House are open to visitors in the summer as is the Counting House, home of the Old Berwick Historical Society. Vaughan Woods State Park and the Salmon Falls River are popular recreation areas for hiking, biking and picnicking. The quaint downtown has a variety of year round fine dining and delightful shops. Outdoor concerts on the town hall lawn are a common summer occurrence. South Berwick and Eliot share a public school district, but South Berwick is also home to Berwick Academy, a highly respected college preparatory day school. US Route 236 is the main artery connecting Kittery, Eliot and South Berwick.

WILDLIFE MEDICAL CLINIC
We medically treat an average of 2,500 injured and orphaned wild animals representing 190 different species annually with the goal of release. Our Clinic and Wildlife Hotline is open 9-5 daily for animal emergencies.

EDUCATIONAL PROGRAMS
We conduct both curriculum-based and informal environmental education programs both on and off site with our non-releasable wildlife ambassadors for schools, libraries, organizations and more.

NATURE CENTER
Come visit our Nature Center and engage with our non-releasable wild animal ambassadors and interactive exhibits. Our Nature Center is a great place to learn about and connect with our natural world! Visit our website for more info on ways to visit or inquire about our rental spaces for birthday parties, business functions, and more.

It can take a female lobster about 10 years to reach sexual maturity!

Lobster’s don’t feel pain! They have a ganglionic nervous system (as opposed to a central nervous system like us). The supposed “screaming” in the pot is the sound of steam escaping from the lobster’s shell.

According to research one tagged and tracked lobster holds the record for traveling 225 miles.

You can tell if a lobster is a male or a female by looking at their first pair of swimmerets found on the under body of the lobster.  
Male = large and bony  
Female = small and soft

They grow by molting or shedding their shells. It takes about 25 molts over 5-7 years for a lobster to be the legal catching size of 1 lb!

Unforgettable settings to make lifetime memories, your something blue is everywhere... have your wedding in Maine. The beautiful Atlantic is at the edge of the sand. Plan your wedding at one of our four spotless beaches or have your ceremony in one of our quiet chapels. We have everything you need to plan your destination wedding. Incredible oceanside venues, amazing caterers, florists, planners, photographers, musicians, even a bridal and tuxedo shop!

Many of Maine’s finest wedding professionals are located in Southern Maine and are anxious to assist with making your coastal Maine wedding everything you want it to be! Say “I Do” with sand between your toes at the water’s edge, or make it official while overlooking the very famous Nubble Lighthouse, one of the most photographed lighthouses in the country!

The state of Maine has breathtaking scenery, great hospitality and a huge range of accommodations. Couples marry and celebrate their beautiful coastal wedding day in every season; however, September and October are the most popular months for Maine weddings. Autumn is a special time with crisp, clean air, comfortable temperatures and blazing fall foliage colors. Decorating can include the vivid colors of pumpkins, gourds, corn stalks, apples, and accessories to include the intense colors of fall in Maine.

The farm to table movement is alive in Maine. Local restaurants work with farmers to create wonderful dishes from fresh produce and local livestock. Being on the Atlantic ocean, seafood is our specialty and our famous Maine lobsters are a popular item on many wedding menus. To add to your feast, Maine boasts many breweries, wineries and distilleries.

While your guests are here, there are many activities for them to enjoy such as, relaxing on the white sandy beaches, golfing at one of our many golf courses, sea kayaking trips, fishing and boating. There are many places to shop, including the Kittery Outlet Mall or take a drive along Route 1 and venture into the many antique shops. For those who like nature and the outdoors, Mount Agamenticus, located in York, is a very popular place for incredible views with hiking and biking trails. Southern Maine is filled with historic houses, museums, and galleries. Spend a day absorbing our history and culture.

Oceanfront lodging, romantic bed and breakfasts and charming cottages are all perfect places for your Maine honeymoon. So, when planning the most important day of your life, come to Maine to ensure your dreams become a reality!

For more helpful information in planning your wedding please contact the York Region Chamber of Commerce at 207-363-4422 or visit our website gatewaytomaine.org.

WEDDINGS

FREQUENTLY ASKED WEDDING QUESTIONS

Q. How do I obtain a Marriage license?
A. In Maine, marriage licenses are issued at the town or city level. The couple must visit the town office in person to apply for the marriage license. Different rules apply for residents and non-residents. FMI: Maine Office of Vital Records 207-287-6490 or maine.gov/portal/residents/marriage.html. The phone numbers for our area town offices are:
   Kittery: 207-475-1329
   Eliot: 207-439-1813
   South Berwick: 207-384-3013
   York: 207-363-1000

Q. Can I get married at the Nubble Lighthouse or on the beach?
A. We recommend that you call the York Parks & Recreation Department at 207-363-1040. Currently, the following rules are in place: Both the Nubble and the beach are public places, so legally you can get married there. But you must follow all public rules at the location you wish to use. Some places have metered parking, while other places are permit-only parking. You may not block off or reserve any parking spots. You cannot set up chairs or any type of blockade of an area. There is no reserving of an area; therefore, there can be more than one group of people trying to get married on the same day or at the same time. Please be respectful and mindful of the tourists.

Q. Can I get married at Hartley-Mason Park?
A. Yes, wedding ceremonies may be held in the Park. Please call Jeffrey McConnell, Trustee 207-363-5494 for details and costs. There is limited parking, therefore transportation to and from the ceremony will need to be arranged.

Q. How do I reserve the gazebo at Short Sands Beach for a wedding?
A. The contact for reserving the gazebo for a wedding is Corey Hathorn 207-252-1037.

Q. Can I get married on Mount Agamenticus?
A. The lodge at Mount Agamenticus is not available for weddings, but you can register for outdoor ceremonies by calling the mountain office at 207-361-1102 or visit agamenticus.org

Q. How do I reserve the pavilion at Fort Foster in Kittery for a wedding?
A. The contact for reserving the pavilion at Fort Foster is at the Kittery Recreation Dept. 207-439-3800.

Q. How do I reserve the pavilion at the Eliot Boat Basin for a wedding?
A. The contact for reserving the pavilion at the Eliot Boat Basin is at 207-451-9334.

Q. I have several guests coming from out of town. Are there any maps or other information available that I can give them?
A. The chamber can provide 25 local maps and 25 guidebooks free of charge. Additional copies are available for 50 cents a copy. To request material, please call the Chamber at 207-363-4422.

Please Note: To make sure that you are aware of the large-scale Events that take place in the area, we recommend that you check a few local event calendars, like the Event Calendar on pages 20-22 and the following websites: yorkparksandrec.org/events, touristnewsmaine.com/calendar.html, theweeklysentinel.com, etc. It is extremely important for you to plan ahead of your Wedding date to know about the parking availability for you and your guests. Parking is very limited during Peak Tourist season.

To get married in a state park please visit maine.gov or call (207) 287-3200.
