Space is VERY limited and available on a first come, first served basis. Preference for approval of applications is based on last summer’s Farmers’ Market seniority, vendor type, availability of space, product mix, this year’s winter market, and any other consideration that the market manager reasonably believes necessary to maintain a successful Farmers’ market. Vendor type priority will first be given to agricultural vendors, then prepared food vendors, then crafters. We cannot offer refunds. **If you commit and pay for a date, you are expected to be present. If you sign up for a full season, you must plan to have staff occupying your booth all 20 weeks and you are expected to see it through until the final date.** The market manager does keep track of attendance. Two missed weeks will result in the forfeiting of your space with no refund, (please refer to page 1, section 3 of the market rules. Empty spaces reflect negatively on the market. If you drop out of a full season or must forfeit your space, you will also be penalized for one future market season - summer or winter, whichever you sign up for next; your application will go to the back of the line regardless of when you submit it. No booth sharing. **This is a rain or shine event. You must bring stakes or weights to every market to secure your tent.**

Reminder: On November 3, 2015, the Town of York voted in favor of adopting the Single-Use Plastic Carry-Out Bag Ordinance that prohibits single-use carry out plastic bags provided by retailers at checkout throughout York. The ordinance took effect on March 3, 2016. Some handle-less bags for wet produce, meat and fish are still permitted. Our market is required to follow this town-wide ban. Vendors must switch over to other options and we have a reusable market bag for sale. Please check with Carol West, Market Manager, if you would like to purchase bags to have available at your booth.

By signing this vendor application, I am confirming that I have read and agree to abide by the rules of the market, as set forth in the enclosed rules & regulations sheets.
