Later head to Utah and travel along Scenic Byway 128 referred to by locals as the River Road and one of the most beautiful and breathtaking drives imaginable. Travel through canyons carved by the Colorado River and see the iconic Fisher Towers, towering cliffs and mesas, incredible rock formations, beautiful ranch resorts, painted canyons and enough red rock to overload the senses. Check into your hotel in Moab and unpack for a five-night stay before joining your fellow travelers for dinner.

Later enjoy a Monument Valley Scenic Drive Tour with a knowledgeable Navajo guide aboard a four-wheel vehicle. Explore the areas oddly shaped monoliths, buttes and mesas of red sandstone. This area was the setting for some of John Ford’s most memorable films. Return early this evening to Moab.
(B,L)  Overnight: Moab

DAY 5: CAPITOL REEF NATIONAL PARK
Depart Moab this morning for the scenic drive to visit Capitol Reef National Park, which lies in Utah’s south-central desert. The area is an oasis of colorful sandstone cliffs, impressive domes, and soaring monoliths, and was designated as a national park in 1971. The park got its name from the great white rock formations which resemble the U.S. Capitol building, and from the sheer cliffs that presented a barrier to early travelers. Early inhabitants referred to the area as the “land of the sleeping rainbow” because of its beautiful contrasts: multi-colored sandstone surrounded by verdant riverbanks and arid desert vegetation. Stop at several points of interest including Hickman Bridge and the Visitor Center to learn more about this national treasure. The evening in Moab is at your own pace.
