

2023 Brochure Rack Space

Reserve Your Business Brochure or Rack Card Space Now!

One of the many benefits of chamber membership is brochure/rack card display space. With membership you automatically receive 3 brochure display spots located inside the chamber building. Additionally, the Chamber has external locations to display your brochures year-round. Space is very limited (20 slots per location.) We will need 100 brochures per location to start with. You will be notified when your brochures are running low.

Please check off the box next to the location(s) where you would like to place your business brochures and we will do the rest! Questions - Contact Holly or Linda - [holly@yorkme.org](mailto:holly@yorkme.org) or [linda@yorkme.org](mailto:linda@yorkme.org) .
