

Dear First Responders in Nebraska,

Joel and I are asking that you or all your department members consider joining the National Volunteer Fire Council as a member or members.

### **About The NVFC**

The National Volunteer Fire Council (NVFC) is the leading nonprofit membership association representing the interests of the volunteer fire, EMS, and rescue services. The NVFC serves as the voice of the volunteer in the national arena and provides invaluable resources, programs, education, and advocacy for first responders across the nation.

### **Our Mission**

The mission of the NVFC is to provide a unified voice for volunteer Fire/EMS organizations.

### **What We Do**

The NVFC accomplishes its mission and provides meaningful support to fire and EMS organizations through a wide range of services and programs:

- Representing the interests of the volunteer fire, emergency medical, and rescue services at the U.S. Congress, federal agencies, and national standards setting committees
- Focusing on health and safety
- Helping departments recruit and retain Fire Service and EMS/Rescue personnel
- Providing training on topics that matter to you (Fire Service and EMS/Rescue)
- Assisting departments in establishing support programs
- Fostering the next generation of firefighters

### **Our many programs include:**

- Fire Corps
- Heart-Healthy Firefighter Program
- National Junior Firefighter Program
- Make Me A Firefighter volunteer recruitment program
- Share the Load
- Wildland Fire Assessment Program

NVFC members also receive a wide range of benefits, including a \$10,000 AD&D insurance policy, access to members-only resources, discounts on training and fire service products, and much more. Learn more about NVFC membership and join today.

Nebraska is an All State Member of the NVFC so with this your membership is only \$15.00 per person or individual. If you would like I would come to your department and talk about the NVFC or contact Joel. If it asks for a code put in NSVFA-NVFC

Thank you,

John Bomar
