You can launch anywhere as long as you fish in Alabama waters. Anglers must have their ticket stub to accompany their entry. All Redfish will be required to adhere to Alabama State Creel and Size Limits: 16" min – 26" max TL 3 per person. Each Redfish will **only** be measured with its head to the left of the UPC Weigh Master and the fish's belly facing the Weigh Master. Fish measured on this singular side only. No angler may intentionally try to manipulate the weight or length of any Redfish including large amounts of ice intended to "shrink" a fish, trimming its tail, dropping it on its nose or placing any objects down the fish's throat. Spit up objects, crabs, fish, etc. may not be placed back in fish for weighing. UCP Weigh Masters reserve the right to refuse any Redfish deemed to have been altered (accidentally or intentionally) and/or damaged sufficiently to make determining the exact length of the fish's overall tail non conclusive. Fish with abnormal, severely damaged (healed over or not) or deformed tails will not be accepted, **regardless of length.** Only fish with a majority of its tail (especially the top portion) intact, normal in appearance and having no fresh cuts, bleeding or damage and appears to be a "normal" tail when perfect pincher is applied will be accepted. No spoiled or rotted fish will be accepted in any category. Entries that have been handled in an unsportsmanlike manner will be disqualified. All entries must be caught on hook and line during the tournament hours, **not before safe light** on September 17, 2022.
- 6. Tie Breaker:** In the event of a tie, the first fish weighed at the tournament scales shall determine the winner. Entry times will be recorded by the Weigh-In Committee on a "first come, first served" basis.
- 7. All decisions by the Rules Committee are final:** Any matter not specifically covered by these rules may be decided by (and to the sole discretion of) the Rules Committee.
