# RULES

---

## Swim

Wet suits are allowed. No special flotation devices are allowed.

Volunteers (on kayaks/canoes) will be available in the event of an emergency. You are more than welcome to rest, sight, or adjust your goggles at a kayak/canoe, but you may not use them to advance in the water.

In the event you need help, remove your swim cap and wave it in the air. This is why swim caps are mandatory. Please use the swim cap included in your race bag.

## Bike

Helmets must be worn and fastened. Headphones are not allowed during the bike course.

We will have volunteers at the major corners/intersections. HOWEVER, you are responsible for following all legal traffic rules. Our volunteers are not allowed to stop traffic. They are there primary to keep you obeying rules and add visibility at critical sites to traffic.

Each racer is responsible that his/her bicycle meets the minimum safety standards. There will be no bike repair available.

## Run

Stay on the left shoulder of streets. You will run against traffic.

The run course will have 3 water stops. The 1st and 3rd water stop (~Mile 1 & Mile 2.1) will be where you cross the Moose Horn River (by the fishing dock). The 2nd water stop will be at the halfway point as you turn to head back.

## Transition Area

The transition area is where you will claim a place for your bike and gear during the triathlon. You are welcome to pick whatever spot you'd like, with the following exceptions:

1. A spot that has already been claimed by someone else (seems obvious!)
2. A spot reserved for the Clydesdales/Athenas/VIP participants (center row, closest to the bike in/bike out)
3. A spot in a walkway (also seems obvious, but you never know!)

### **Basic Transition Area Etiquette/Rules:**

NO riding your bike in the transition area. Walk or run with it out to the “mount line”

The racks were designed for 8 bikes. We simply ask that 5-6 bikes go on the racks, which leaves plenty of room. We will have tape on the top tubes of the bike rack. Put your bike in the middle of the 2 tape lines.

The side of the bike rack that your tire touches down on is the side your gear should be on, which may be under the hanging tire of a bike on the other side of the rack.

Do NOT move other people’s bikes. gear, etc. Save your spot with a towel, wetsuit, etc.

***FAMILY AND/OR FRIENDS ARE NOT ALLOWED IN THE TRANSITION AREA – RACERS AND VOLUNTEERS ONLY!***

## Parking

There will be no parking available to the Moose Lake City Park. You can drop off bikes and equipment at the park entrance, however no one will be allowed to drive through or park within the park for safety of our racers, spectators, and volunteers.

Please park on area side streets being respectful to local residents. The race route includes Birch Ave and 1<sup>st</sup> Street, please avoid parking on these streets for the safety of our racers.

# SCHEDULES

## VOLUNTEERS

---

We definitely need and appreciate our volunteers. Many are from our local football team that in turn receive a donation from us. Please be courteous to all volunteers. Know someone interested in volunteering? Please reach out to us at [MooseLakeTriathlon@gmail.com](mailto:MooseLakeTriathlon@gmail.com).

## BODY MARKING & TIMING CHIPS

---

### Body marking

The Moose Lake Triathlon does not use bibs. When you check-in a volunteer will use a marker to write your race number of your right arm and right calf.

### Timing Chips

Our triathlon event timing is being done by Duluth Timing and Events. Timing chips are distributed on race day during packet pickup.

They record your time for the triathlon, including the time it takes you to move from the swim to the bike and the bike to the run. They are traditionally worn on your left ankle as to avoid getting caught in your bike chain. **Lost timing chips cost YOU \$30 to replace.** In the event, you do not finish the triathlon (especially if you are “pulled” from the water) please return your

timing chip to the finish line staff ASAP. Otherwise, we will assume you are still in the water and will shut the race down to search for you.

## POST RACE FOOD

---

After you cross over the finish line, enjoy an ice cold bottle of water before heading over to the food table for some bananas and granola bars.

Additionally, your race bags include coupons and flyers for local restaurants.

## AWARDS

---

Prizes will be limited to the top male, female, and team. Prizes will be announced around 10:45am. Prizes will not be mailed so be sure to be present.

## RESULTS

---

Results will be posted on site the day of the race. Additionally, a link will be made available via social media.

## SPECTATORS/FANS/FAMILIES

---

We LOVE to see people come out and support the athletes.

A couple of tips/requests:

Bring noise makers, signs, etc, and cheer for everyone! Some people don't have "fans" 😞

If an athlete needs to use the bathroom, let them use it 😊

If you bring a dog, and it needs to use the bathroom...CLEAN UP AFTER IT!

If you happen to be on the same path as an athlete, let them pass
