## President's Corner

Welcome to 2021 PRAR Members. We made it to another year and it looks like we are off to a wonderful start. The intensity of the market hasn't slowed and this leads us to the land of opportunity. One thing I challenge each of us with is to see where we can serve and give back to our community, volunteer within our organization, and help a fellow realtor win this year. Use this year to figure how you can be active in our association and sharpen your skills. Iron sharpens Iron.

Remember to keep wearing your masks and be kind to one another. We are a community who needs each other.

Happy Selling,

Candace L Thompson, MBA
