

Application for Chamber of Commerce Teaching Grant

Purpose:

Sponsored by Westminster College and William Woods University, the grant is designed to provide support for a new teacher to explore innovative classroom teaching practices. Successful applicants will develop a project that focuses on individual learning that might include high expectations, competency-based learning, or customized pathways to learning. The intention of the grant is to provide learning experiences that integrate personal motivation and learning to develop skills that will encourage life-long learning.

Application:

Please provide a short narrative (500 or fewer words) and include the following information:

- Name of the applicant including the name of the school and the grade level begin taught
- A synopsis of the proposed activity with proposed learning outcomes
- How the money will be spent on the project

Applications should be turned into the Chamber of Commerce office located at 510 Market Street in Fulton no later than November 19, 2021.
