REALTOR® Association Leadership Activity: Leadership positions at the local, state, and national level. These may include Board officer and/or Director; Committee chair and/or member; special assignments; seminar activity and education work. Although the primary focus is on REALTOR® Association involvement, leadership positions in the various related societies and/or institutes (e.g. CRS, WCR) will also be considered.

At the local association level, key leadership positions (e.g. Board Officer and Chair positions) will have the most bearing in defining a 'REALTOR® Leader'.
