It is a privately constituted organisation that works for the interests of businesses, and for the economic development of the City and Region. The Chamber offers a range of benefits to its members, such as....

1. MEETING ROOM SPACE

The Galway Chamber has a range of meeting room spaces available for use under your membership. Our conference rooms are ideal for meetings, training days, workshops and briefings.

2. EXPORT ADVICE AND DOCUMENTATION

Galway Chamber is officially authorised by the Department of Business, Enterprise and Innovation and Chambers Ireland to issue and certify export documentation. We certify a range of documents for companies including: Certificates of Origin (EU Certs, Arab/ Irish Certs), invoices, packing slips, certificates of analysis, supplier declarations etc. The team at Galway Chamber can guide you through the export documentation process.

3. GIFT CARDS

Galway Chamber have worked with One4all to introduce the Galway Chamber of Commerce multi-retailer Gift Card. These cards are a great way to incentivise and motivate staff and are accepted in hundreds of retailers across Galway, ensuring jobs and business in Galway city & county.

4. SUSTAINABLE DEVELOPMENT GOALS (SDGS)

Chambers Ireland has identified an opportunity for the Chamber Network to become a leading organisation in adopting the SDGs in Ireland. We have identified five goals we will be incorporating into our working and adopting. We would like our network to also commit to adopting the SDGs.

If Ireland is to fully implement the SDGs domestically by 2030, each represented dimension of society must be included in the progress. We believe that Chambers Ireland, with its large regional and national reach, is in a strong position to do so.

By championing SDGs, Chambers Ireland will ensure that making progress in achieving these goals is reflected in all the work that we do.

This can be done by committing to some or all of the same goals we are adopting or others from the seventeen goals. These are the five goals which Chambers Ireland will be focusing on.
