A Message from the President

The year 2020 will be remembered as one of the most turbulent in the history of our community. As of this writing, Wilson is only days removed from the impacts of Hurricane Isaias. The storm is the latest in a series of incidents that have made the past several months challenging for our business community. We've also experienced a global pandemic and its consequent responses, civil unrest, and cries for justice from people who have suffered from systemic inequity for too long.

Yet, despite mounting adversity, you'll find in the pages of this Sources directory nearly 500 reasons to be encouraged about the future. Each business listed here is a cause for optimism. Each one is a story about fortitude, perseverance, and commitment.

We are all looking forward to the brighter days that are to come – and they will come. They may not come quickly, or easily, or without diligent action and thoughtful leadership, and certainly, we all have a role to play in reclaiming Wilson's prosperity. It starts with simple gestures like supporting the members listed in this directory. By extending generosity to our neighbors – the owners, operators, and workers of local businesses – it's possible that we will build a future that is even greater than those happier days that may seem distant to us now. It is entirely up to us.

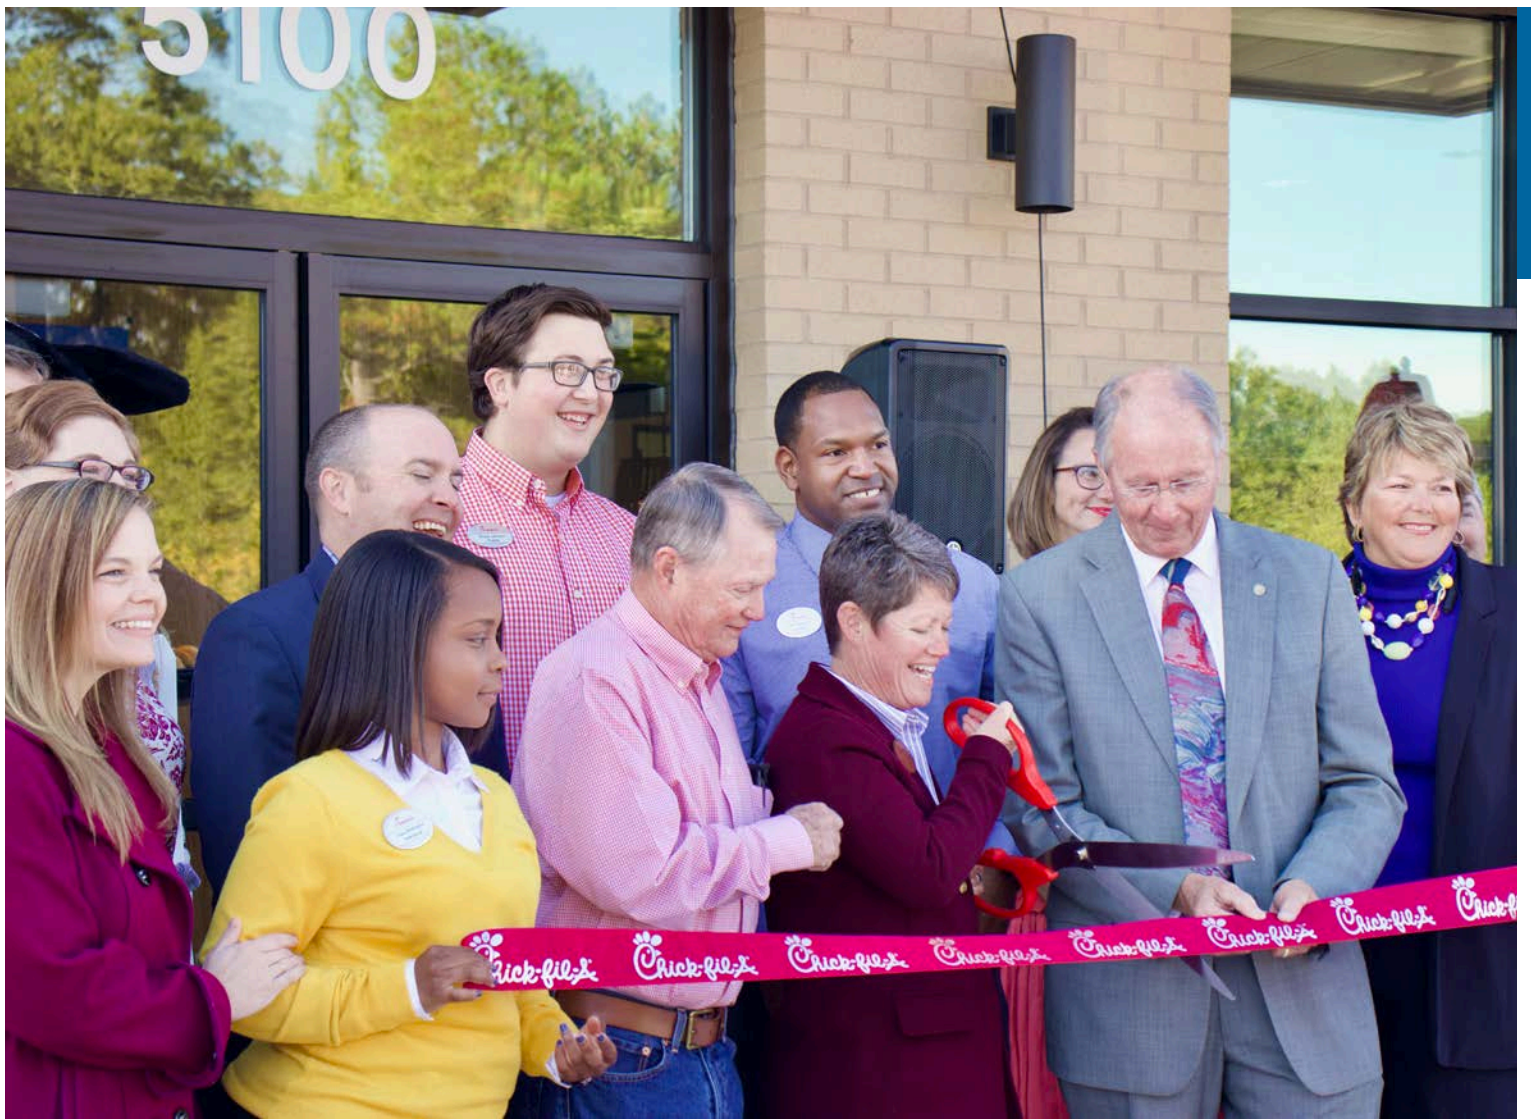

A handwritten signature in black ink that reads "R. W. Simons".

RYAN W. SIMONS
President of the Chamber of Commerce

You can enjoy a strong community without joining the chamber. However, a community can be made stronger by a chamber that businesses are inspired to join.

YOU are invited to join wilson's premier Business network.

**"She is a valuable member of this community
and I know we are thankful she chose Wilson."**

Tracy Wellington, *Chick-fil-A*
Chamber Board of Directors
2020 Annual Meeting

A Message from the **2020 Distinguished Citizen of the Year**

Honor. Dignity. Respect.

The past few months have been flooded with an ever changing environment. As a business we have kept the safety of our guests and our team members at the top of our minds. We've done much much more to make that happen, everything from temperature checks to face masks. Having our drive thru open and being forward thinking on how to get more guests through as quickly and efficiently as possible has been essential. We have been blessed with loyal guests who understand our efforts to continue to serve them with honor, dignity and respect.
