## 2022-2023 MEMBER DIRECTORY

**WILSON CHAMBER**  
OF COMMERCE

## ABOUT THE CHAMBER

---

Founded in 1897, the Wilson Chamber of Commerce is a 501(c)6 registered business association, and Wilson's "Premier Business Network".

We are the only fully-staffed chamber of commerce in Wilson County, North Carolina, and serve the business community of the greater Wilson area, including the City of Wilson, Black Creek, Elm City, Saratoga, Stantonsburg, Lucama, Sims, and portions of Kenly, Bailey, and Sharpsburg.

The Wilson Chamber of Commerce is governed by an independent Board of Directors. We are not a government agency or subsidiary, branch, or division of either the North Carolina or United States chambers of commerce.

## ABOUT THE COVER

---

*You don't have to look far to see the growth happening in Wilson County.*

While primarily serving as your go-to business directory, this year's Sources edition highlights just a few of the projects and initiatives that are directly influencing that growth.

## OUR MISSION

---

Build a market where businesses prosper

## OUR VALUES

---

Providing courteous **SERVICE** to our members and community

Preserving **TRADITION** by building on past successes

Influencing action through inspiring **LEADERSHIP**

Inviting **INNOVATION** and respecting new ideas

Establishing **TRUST** through honesty and reliability

Exercising **LOYALTY** by putting our members first

Reflecting back on the Chamber's 125 years of service to our community, it is remarkable how much our organization's history is a reflection of Wilson as a whole. For example, the Chamber's official articles of incorporation were drafted inside the historic Cherry Hotel, just steps away from the same rail line where the city boundaries first extended.

Now, as Wilson experiences unprecedented growth, so too is the Chamber. We are able to count more than 500 businesses, nonprofits, and individual investors in our membership, which is especially noteworthy given the uncertainty both our chamber and community faced only two years ago.

With this growth comes a great deal of responsibility. How do we ensure that everyone has an equal chance to participate in our prosperity? How do we preserve our unique community identity, with the development pressure that seems to be encroaching from every direction? What community amenities do we want to develop for future generations to enjoy?

The answers to these questions and others will determine the destiny of our community and chamber. *Fortunately*, you can have a voice in these discussions by joining the members listed in this directory, our board of directors, and staff, by investing in the Chamber, and be a part of shaping our next 125 years.

**RYAN W. SIMONS**  
PRESIDENT OF THE WILSON CHAMBER OF COMMERCE

# 2022 DISTINGUISHED CITIZEN OF THE YEAR

## MILO GIBBS

A former Chairman of the Chamber's Board of Directors, Milo Gibbs has been a strong community and businesses advocate for Wilson both during and after his long career in banking.

For his leadership at the Chamber, and his innumerable contributions to charitable causes across Wilson, the Chamber honored Milo as it's Distinguished Citizen of the Year. The award was conferred by Bill Vaughan of Vaughan's Jewelers (pictured, left) at the 2022 Chamber Annual Meeting presented by Wilson Medical Center.

# 2022 SMALL BUSINESS LEADERS OF THE YEAR

## RYAN & MAHALIA WITTER-MERITHEW

Since opening their small business in Wilson, Ryan and Mahalia Witter-Merithew have ensured that Casita Brewing Company does more than just make great beer. The brewery has become a community gathering place where everyone feels welcome. Casita has become a favorite host for all types of events and audiences: from folks just looking to grab a cold beer, to families feasting on food trucks and nonprofit fundraisers...even a Chamber Annual Meeting!

For the example they've set, Ryan and Mahalia were named the Chamber's Small Business Leaders of the Year at our Small Business Banquet during Small Business Month.

# WHAT'S HAPPENING IN WILSON

## CAMPUS AT 587

On Hwy. 58, in southeastern Wilson County are 500 acres of rolling farmland. Were it not for the stainless steel "587" monument signs near the roadside, you may never know that this tract of land will soon be home to some of Wilson's largest employers and a diverse array of industries.

The **Campus at 587** references the site's location at the confluence of NC Hwy. 58, and the newly designated Interstate 587. Formerly US Hwy. 264, I-587 became the first interstate highway to serve the state's largest city without one: Greenville. Now that I-587 also transects Wilson County (along with I-95 and I-795), enhanced interstate

mobility makes Wilson an even more attractive force for economic development.

Construction on manufacturing facilities have already begun at the Campus at 587, and more are sure to follow. Along with facilities inside the Wilson Corporate Park, and other industries located throughout the county, Wilson has become a highly sought after and globally competitive destination for jobs.

## WILSON MEDICAL CENTER

In 2016, **Wilson Medical Center** began a \$100+ million transformation which will conclude in 2022. This Duke Lifepoint hospital has undergone a multi-phase redevelopment to offer superior healthcare for our community. Projects included in the hospital's renovation:

- 24 bed behavioral health unit
- New, enlarged patient rooms
- New operating and waiting areas
- Women and Children's Pavilion
- Pharmacy and ICU renovations
- Updated façade and exterior improvements

With its continued commitment to patient care, these renovations are designed to make Wilson Medical Center a leading choice for healthcare in our region, and has been recognized by Blue Cross Blue Shield of North Carolina as a Blue Distinction Center for both Maternity Care and Knee and Hip Replacement.

## WILSON ACADEMY OF APPLIED TECHNOLOGY

The new \$26 million **Wilson Academy of Applied Technology (WAAT)** facility is nearing completion on the campus of Wilson Community College. Along with Wilson Early College Academy (WECA), WAAT is one of two early colleges in Wilson where graduates emerge with both a high school diploma and two-year associates degree. With a focus on STEM-related curricula, many WAAT graduates matriculate directly to career fields with employers right here in Wilson.

Both WAAT and WECA demonstrate a strong relationship between public schools and Wilson Community College, which itself continues to adapt and modify its offerings to serve the needs of our business community. Alongside Barton College, Wilson Community College represents a significant workforce pipeline for employers across the region.

Additionally, Wilson flourishes with educational options. Charter schools such as Wilson Preparatory Academy and Sallie B. Howard School have been steadily growing,

both adding high school programs in recent years. Among private school offerings, Greenfield School and Community Christian School represent two of the region's most acclaimed private K-12 schools.

## HISTORIC DOWNTOWN WILSON

Anchoring the **#downtownturnaround** in historic downtown Wilson, it's difficult not to notice the massive construction projects taking place near the corner of Pine and Nash Streets. Accompanying the newly constructed \$35 million Truist office building is a five-level parking garage. The parking deck will not only serve Truist customers and employees, but will relieve the parking needs of other development nearby:

- **Centro at Pine-Nash** will be a residential and commercial mixed-use development. Retail and restaurants will occupy the first floor, with more than 200 apartments on upper floors.
- Opening in 2022, the new **Foundation YMCA** has two indoor pools, a fitness area, meeting and office spaces, and will be the home of the Y-Gig middle school after school program.
- The **planned development of townhome condominiums** and the redevelopment of the former Coon School will add even more housing stock to an already vibrant downtown market.

Combined, these developments add more than \$100 million in investment in historic downtown Wilson, that is seeing growth across its municipal service boundary.

# CHAMBER AMBASSADORS

The **Ambassadors** are the Chamber's premier volunteer organization composed of high-energy, outgoing and dynamic business leaders. The Ambassadors work together as a team to promote membership, increase retention and to improve awareness of Chamber benefits. Additionally, they recognize an outstanding member each month.

Interested in becoming a Chamber Ambassador?  
Contact Rebecca Tew at 237-0165

“THE CHAMBER PROVIDES THE MEANS FOR BETTER COMMUNICATION AND NETWORKING BETWEEN YOU, YOUR BUSINESS, AND YOUR LOCAL COMMUNITY. THESE ESSENTIAL BENEFITS HELP YOUR BUSINESS EVOLVE, GROW, AND THRIVE.”  
-MEG EDWARDS

## WILSON LEADERSHIP INSTITUTE

A partnership between the Chamber and Wilson Forward, **Wilson Leadership Institute** is a rigorous 8-month course in applied leadership, designed to instruct individuals with demonstrated leadership potential, and deploy them to highly visible, public service leadership opportunities in Wilson. Participants are given practical and real-world training in the discipline of public service leadership, and work as a team to address an urgent community need.

**WLI Cohort IV members:**  
David Greene, Jon Ferguson, Terrence Cox, AJ Gunter, Don Hicks, Chris Price, Savannah Story, Lisa Skinner, Mahalia Witter-Merithew, Addison Meindhart, Stefanie Keen, Kelsey Newsome, Jennifer Byrd and Aislinn Ramirez  
Not pictured: CiCi Petrella and Natanael Valenzuela

# CHAMBER EXECUTIVE ACADEMY

The **Chamber Executive Academy** introduces today's business leaders to the dynamics that make Wilson a unique place to live and work. During the 10 month program, participants get a first-hand account of the issues facing our community, gain an appreciation for the challenges other professionals face in our market, and become trusted representatives of their organizations out in the community.

Class of 2022 graduates: Melissa McFatter, Wilson County Schools; Robin May, Wilson County Schools; Kathy Berni, United Way of Wilson County; Robin Williams, Wilson Education Partnership, Robby Taylor, Wilson Community College; Paige Chesson, Wilson Medical Center; Joe Hartsfield, Hartsfield National Aircraft; Tammy Jones, First Citizens Bank; Leigh Goroski, Wilson Community College; Lindsay Perry, Wilson Chamber of Commerce

## CEA '22 PROJECT

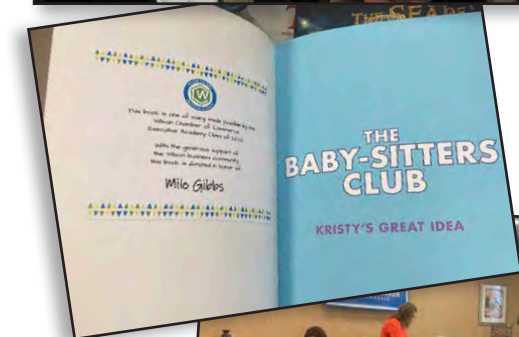

Each CEA class is required to select and complete a community service project from requests submitted by area nonprofits. The Class of 2022 chose to create a "Literacy Wonderland" classroom at New Hope Elementary. They raised over

**\$5,000**

donated by the Wilson business community to fund

**450+**

brand new books and custom bookshelves built by carpentry students at Fike High School. After the completion of the project the class donated the leftover funds totaling \$800 to New Hope to purchase any additional furniture needed.

# BUSINESS RESOURCES

In 2019, Wilson was named the **"12th Best Small City to Start a Business"** by wallethub.com. One reason for our success is the collaborative network of resources we have available to businesses in our community. Below you will find a number of nonprofit and regulatory partners that are working to make sure Wilson continues to be a vibrant destination for business.

*Call the Chamber for information on other resources or to be directed to service providers that can meet the needs of your business.*
