## Action and Attraction

As we have recently ended Spring Break in Lockhart, I am reminded of the impact that “travel” has on our local economy. Travelers to and within Texas spent \$74.7 billion across the state, which contributes significant tax revenue to both state and local governments. Without travel, Texas households would each pay \$690 more in state and local taxes each year to maintain current levels of service. (TTIA) Lockhart is often a destination for those looking to explore. Lately, we have been frequented by many film producers and BBQ explorers looking for a new experience. Did you know? Lockhart is designated as “Film Friendly” by the Texas Film Commission. On-location filming actively generates on-site spending on local goods and services to small businesses. This type of economic development includes, but is not limited to: lodging, catering, transportation, location fees, lumber and construction supplies, local hires and more.

Let’s keep up the momentum of the Lockhart charm! The Lockhart Chamber of Commerce & Visitor Center is committed to generate visitor revenue. The chamber supports local events and welcomes visitors. Plans for Chisholm Trail Roundup Rodeo & Music Festival, Lockhart’s largest festival, are underway. Join us **June 13<sup>th</sup> – June 15<sup>th</sup>** at Lockhart City Park.
