## New President/CEO, Kaley Frye

What a wonderful opportunity I have been granted to serve the members of the Lockhart Chamber of Commerce and this growing community in Caldwell County. For the last six years I've executed the community and economic development strategies for the Houston Northwest Chamber of Commerce.

I am excited to continue working on the strategic initiatives aimed at bolstering the area economy and enhancing the quality of life experience for all businesses, residents, and visitors.

I've had the tremendous opportunity to spend some time in Lockhart over the last few weeks meeting with the Board of Directors and staff. I'm looking forward to strengthening my relationships with the community and business leaders in Lockhart. My official start date will be December 10<sup>th</sup> at which time I would like to start setting up meetings with our membership and anyone from the community that is willing to give me a few minutes of their time. I look forward to meeting and getting to know all of you, and I'm thrilled for the continued growth and success we are going to have in Lockhart, Texas.
