President/CEO of the Lockhart Chamber of Commerce

Grateful Thankful Blessed

In November, we often recognize the things we are thankful for, and the Lockhart Chamber of Commerce Board of Directors and Staff would like to thank our members for the support and trust invested in the Lockhart Chamber. Over the past year, we have experienced various changes in our organization from staff member changes to Chisholm Trail Roundup improvements. We appreciate your partnership along the way and look forward to the New Year with additional improvements strengthening our community and chamber.

Be sure to thank our local veterans as we celebrate Veterans Day in November. All Veterans and their families are invited for a complimentary meal on Friday, November 9th, at the First Lockhart Baptist Church Connection Center (200 S Blanco Street). Doors will open at 11:30 AM and the program will begin at noon. This is our time to honor and thank our veterans for their service to us and our country.

Thank our small business for their investment in our community. We have partnered with the American Express Shop Small Campaign and we invite all to participate on Saturday, November 24th in Small Business Saturday. Look for more details coming soon. We look forward to further serving you and continuing to create an environment for your business to thrive.

The Lockhart Chamber of Commerce has partnered with Lunar Cow Publishing to create an **Official Community Guide** that will serve as a membership directory for current chamber members too. Lunar Cow Publishing is a firm that specializes in destination marketing. They serve over 400 chambers nation-wide and their software is compatible with ChamberMaster. This feature opens the door for us to not only distribute a printed copy of our Community Guide, but a digital copy too! Lunar Cow's iMap 3.0 software allows users to plan their trips, build itineraries, access our calendar of events, and get turn-by-turn directions while accessing points of interest data from businesses within the community.

Mobile

The Lunar Cow GoGuide is a mobile interactive digital publishing product that is designed for mobile users who are looking to interact with your publication's digital edition. Your members, visitors and community will be able to view your visitor's guides, activity guides, community guides, business directories, and community maps easily on their smartphones, tablets, laptops and desktops as never before.

Contact the Chamber today if you have additional questions about our upcoming Community Guide!
