

July 2021

Cheers to another successful Chisholm Trail Roundup! We are so happy with the turnout, and we were all glad to see everyone again after COVID-19 prevented us from having our festival last year. This year, we had record-breaking attendance and wristband sales! We could not have pulled that off without the help of our girls who participated in the Chisholm Trail Roundup Queen & Little Miss competition. Way to go girls! We highly appreciate all of the volunteers who put in countless hours of hard work the entire weekend, those who filled-in last minute, and who stayed longer than expected. Thank you to the sponsors who contributed to our festival funds as well. We hope everyone had a fantastic time and stayed cool in this summer heat, and we cannot wait to do it again next year!

Our next Chamber Luncheon will be held on August 12th at 12:00 PM Noon at the Connection Center. Tickets for members are \$10 and \$15 for non-members and can be purchased upon arrival. if you would like to sponsor our luncheon or provide catering, please call the Chamber office at (512) 398-2818.

See you all at the Independence Day Fireworks Extravaganza Tomorrow at the City Park!  
\*Fireworks will be moved to Labor Day weekend if bad Weather makes an appearance.

Sincerely,  
Haley Brown

## July's Member of the Month...

The Lockhart Chamber Board of Directors has selected **Pegasus Schools, Inc.** as our July Member of the Month for their services provided at the City Park during Chisholm Trail Roundup. The staff and students worked tirelessly all weekend to help prepare for the festival. Chisholm Trail Roundup would not be possible if it weren't for the help of Pegasus Schools. Not only are we so appreciative of them, but the entire community should be proud of them as well. Thanks, boys!

thank you!

## Last Day of Class!

On May 27<sup>th</sup>, the students of Leadership Lockhart Class 1 participated in their session on Agriculture in Our Community. The class was able to visit and tour the Luling Lavender Fields, Luling Foundation Farm, Tips Turf & Tree Farm, and Swift River Pecans to discover the services they offer and the role they play in the agriculture community of Caldwell County.

Thank you, Wayne Morse and the Caldwell County AgriLife Extension office, for hosting this session on Agriculture in Our Community and for the services that you provide. We are fortunate to live in a community that has such respect for nature and the advantages of agriculture.

# Congratulations Leadership Lockhart!

This session concludes the classroom portion of Leadership Lockhart Class 1. The students will now be focusing on their group project. Stay tuned for more details!
