Did you know that Monthly Luncheons are back in full swing? Luncheons are held the 2nd Thursday of the month and are attended by local business owners as well as city, county and state officials. All members of the community are encouraged to attend. By attending the monthly luncheons, you can network with other members and most importantly potential customers. New members are introduced and a "members only" cash drawing is present. Sponsoring a luncheon gives you the opportunity to present your business by giving presentations, and/or inviting a guest speaker. Members receive a discounted Luncheon ticket price.

We would love to see you at the next luncheon! Join us on Thursday, October 14th, for a presentation from Lockhart ISD officials and try a delicious meal prepared by students of the culinary program at Lockhart High School, under the direction of Ms. Brodbeck.
