

NEW CASTLE • HENRY COUNTY

PATHWAY *to* *your* **PASSION**

CHAMBER OF COMMERCE • JOB FAIR

Pathway to your Passion is not your typical job fair.

It is focused on junior and senior high school students who are considering their path options following high school.

This is about more than handing out applications and getting resumes. Participating businesses are expected to engage in sincere conversations with the students. Give them insight into exactly what your business's jobs involve such as expectations, skills, training, etc.

There will be resources at the event for the students such as FAFSA help, resume assistance, interviewing etiquette and more.

Though there is no booth fee, however, we request of a \$25 gift card donation which will be used as student door prizes.

Date: May 6, 2021
