

# PROPERTY TAX REFORM

## WHAT IS IT:

Three separate pieces of legislation that work to lower the property tax burden in the state of Illinois. School district consolidation, local government consolidation, and a new value-based assessment formula.

## THE IMPORTANCE:

Illinois has nearly 7000 units of government. This creates redundancy and waste really costs the Illinois taxpayer money. Our initiatives seek to reduce a system to more fairly assess the property owners tax burden

## CURRENT STATUS:

Local Govt. Consolidation - H.B 433
