

United States® Census 2020

US CENSUS PRESS CONFERENCE TODAY AT 11:30 am

Governor Ducey and U.S. Census Bureau Director, Steven Dillingham, will be holding a press conference today with community leaders to remind all Arizonans to complete the 2020 Census.

The 2020 Census will provide a snapshot of our nation—who we are, where we live, and so much more.

The results of this once-a-decade count determine the number of seats each state has in the House of Representatives. They are also used to draw congressional and state legislative districts.

Over the next decade, lawmakers, business owners, and many others will use 2020 Census data to make critical decisions. The results will show where communities need new schools, new clinics, new roads, and more services for families, older adults, and children.

The results will also inform how hundreds of billions of dollars in federal funding are allocated to more than 100 programs, including Medicaid, Head Start, block grants for community mental health services, and the Supplemental Nutrition Assistance Program, also known as SNAP.

Arizonans have until the end of the month to respond to the Census.

You can watch on any local TV station or through this online link [HERE](#).
