Learn. Share. Engage.

www.promishealth.org

All abstracts concerning development and use of PROMIS tools will be considered for oral or poster presentation. Please consider submitting an abstract in relation to the specific PROMIS topics:

1. Improving Diversity, Equity and Inclusiveness in PROMs, Social Determinants of Health, including Under-represented Populations
2. Psychometrics: Evolutions and Method Advancement in PROMs
3. The Role of PROMIS for Global and Population Health Management
4. Advancements in Digital Health and Implementation Cycle of PROMs, including Topics of Maintenance and Sustainability
5. Individualized Clinical Care through PROMIS, including Value-Based Health Care

Awards for Best Posters by Trainees

Eligible persons are either in training or within 1 year of finishing training (masters, PhD, post-doctoral, residency, fellowship, etc.) and are first author on the abstract.

There will be 2 awards:

Best Psychometric
PROMIS Poster by a Trainee
and
Best Application of
PROMIS Poster by a Trainee

Abstract Instructions

English is the official language of the conference. Individuals can serve as an author on multiple abstracts, however, an individual may submit no more than three abstracts and present no more than two abstracts. The author will be notified of the decision and presentation format (oral or poster) via email by June 30, 2024. All accepted abstracts will be distributed to conference participants in pdf format in the conference program book. Unless otherwise specified, the first author will be considered as the presenting author. All presenters and attendees must register for the conference.

Directions for Abstract Submission

The word limit for the abstract body is 350 words (excluding title, authors, and affiliations).

Each abstract must include the following information:

Title: Capitalize the first word and use other lower-case letters in the title (15 WORD LIMIT).

Type of Presentation: Indicate oral, poster, or either presentation.

Authors: List full name of each author.

Institutional Affiliations: List the primary institutional affiliation for each author.

Body: Use separate paragraphs for each section – Objective, Methods, Results, Conclusions.

Content: Author(s) attest that the submission is an original work, and Author(s) did not utilize the assistance of artificial intelligence applications in its drafting. *Do not include figures and tables.*

Deadline: Monday April 30, 2024, 11:59 pm CT (USA)

2022 Conference Abstracts. *J Patient Rep Outcomes* 7 (Suppl 1), 23 (2023)
