**Does my employer have to complete the Employer Participation Agreement by the application deadline?**

Yes. Your application packet is not considered complete nor will it be reviewed until all components are complete.

**What if I am self-employed or the top executive in my company?**

For application status tracking, please complete the form with your contact details and fill out the agreement. We apologize for the inconvenience, but want to ensure your application is considered complete and reviewed by the selection committee.

**What if I can't attend the retreat/ropes course?**

Attending the retreat/ropes course, in its entirety, is mandatory for all members of the class. We will cover crucial details regarding the program requirements, begin leadership development, and spend time getting to know each other. If you are unable to attend the retreat/ropes course in its entirety, we recommend that you plan to apply during a year in which you are able.

**When will I be notified of the decision regarding my application?**

We expect to notify applicants of their status in late August.
