

KPCA Shared Services

Lab Services

With a mission to improve health and improve lives, LabCorp delivers world-class diagnostic solutions and uses technology to provide better care. LabCorp offers practice connectivity and robust patient outcomes and data solutions to support value-based care. Convenient access to patient specimen collection is supported by LabCorp's network of more than 1,700 patient service centers for convenient access to specimen collection.

More than 3,400 diagnostic tests, including complex clinical workups

- Comprehensive genetic and molecular testing services
- Prescription Drug Monitoring services to help you track and monitor treatment of chronic pain patients, support clinical decisions, and help prevent abuse or diversion
- Customized Fee Schedule for members
- Connectivity Solutions to fit practice needs
- Extensive Managed Care Plan Coverage

Henry Schein continues their longstanding partnership servicing Community Health Centers and is the only distributor with medical and dental capabilities. They are the only national 340B distributor offering you capital equipment, med/surg supplies, lab and non-340B pharma in physician class-of-trade outside of major wholesalers. They provide next day service and offer a vast portfolio of solutions designed to be a resource for your centers to help improve patient outcomes, clinician/patient satisfaction as well as lowering costs.

Medical Surgical is pleased to continue our support of KPCA Member Clinics. We're committed to helping clinics deliver on the triple-aim by providing more than 275,000 products you need, when you need them. McKesson offer tools that help you manage costs and enhance patient care –all while providing insights and expertise to guide you through the changing world of healthcare.

Medline Industries, Inc. is very proud to announce our new relationship as an authorized distributor for Community Health Venture's ViP(Value in Purchasing) program, which has also been approved by KPCA to provide a "direct from the manufacturer" purchasing option for many of your medical and laboratory supplies.

- Medline is the leading medical supply distributor in the Bluegrass State, proudly serving as prime vendor for all facets of health care
- Medline serves Kentucky quickly and accurately from our centrally-located 400,000 square-foot distribution center in Shepherdsville, just south of Louisville. Most KPCA members can expect next day service on a regular and consistent basis

Translation Services

- LanguageLine provides the highest quality phone, video, and onsite interpreting, document translation services and localization, as well as bilingual staff and interpreter testing and training.
- They provide language access in more than 240 languages through spoken interpretation and written translation.
- As a full-service provider, LanguageLine Solutions uses human translators to ensure every job conveys the meaning of the original text, reads smoothly, and is free from spelling and grammatical errors.

CyraCom offers phone interpretation, video interpretation, and document translation and localization. Depending on the availability of resources in your area, they can also offer onsite interpretation.

Their phone interpretation supports over 200 languages and can be accessed from [any phone](#). To start a session you would dial our 1-800 number and complete the 2-step authentication process by entering your account number and pin. Then you say the language you need, and you will be connected to an interpreter. The average connect time for phone interpretation is 15 seconds.

Video interpretation is accessible from any device that contains a webcam, microphone, and internet access including smart phones, tablets, desktop computers and laptops. The session is available through the web via your account management portal or you can download our app from the Google Play or iTunes store.
