Chamber Events and Programs

Sponsoring chamber programs is a great way to promote your organization and support an environment where businesses can flourish. Advertising with the chamber is also a great way to reach businesses and promote your organization within the community.

This booklet allows your organization to pick from a menu of available sponsorships and plan your investments in advance. Sponsorships may be purchased at any time throughout the year based on availability.

Overview

The Jackson County Area Chamber of Commerce has over 600 member companies and organizations. Supporting the Chamber increases your organization's visibility within the community and directly impacts local business environments and the local economy. Sponsoring chamber events gives your organization the publicity and recognition it deserves. Some of the benefits of sponsoring include:

- brand awareness
- highlight your business to its target market
- gain a competitive advantage
- market your business cost-effectively
- help support the local business community

Here is a further breakdown of how your business benefits from supporting a chamber event:

Publicity

Chamber events and programs are advertised to contacts within its own database, in local print media as well as various social media outlets. Depending on the level of sponsorship, sponsors receive exposure through:

- broadcast emails
- social media posts
- promotional pieces
- the chamber's website
- placement of promotional materials and items at sponsored events
- an opportunity to speak at the sponsored event

Networking

Chamber events and programs allow companies to foster relationships with new clients. There are also opportunities for re-establishing relationships with existing customers and clients.

Recognition

Companies that want to be recognized for being community partners and leaders will benefit from sponsoring events and programs. Business owners, managers and decision makers attend many events. Sponsoring an event is a great way to promote your organization's brand.
