More than cruises.
Always there.

"Our team of knowledgeable Vacation Consultants is passionately committed to helping our local customers plan their next big adventure, and it's this level of exceptional service that sets us apart," said Lu.

Lu recalls an Alaska cruise he took with his family where he made some of the best memories of his lifetime as the inspiration to invest in opening his own travel agency to help others create lifelong memories. "I chose Expedia

CruiseShipCenters because we share the same philosophy of serving others in the community," said Lu. "Expedia is a national brand while Expedia CruiseShipCenters is community oriented with physical location to ensure we always there to serve and help."

Every one of Joe's Vacation Consultants is a passionate traveler themselves. He is actively recruiting Vacation Consultants to work full-time or part-time, as a home-based agent or from the retail center. The agents have the freedom and flexibility to build their travel business on their own terms with the power of Expedia behind them.

"Expedia is a national brand while Expedia CruiseShipCenters is community oriented with physical location to ensure we always there to serve and help," said owner Joe Lu.
