On-site paper shredding & secure media destruction services

Golden Bear Shredding LLC — Golden Bear Shredding LLC was formed by a team of IT Security professionals, and a group of retired law enforcement officers, teacher and an attorney looking for a shredding company that took data destruction and compliance training as seriously as they did. They couldn't find one. So, they created one. Thus, Golden Bear Shredding LLC was born. Jody Buna is the CEO of Golden Bear Shredding and one of only a handful of executive women in the shredding industry. She is also the wife of Jarod Buna, who is a Pleasanton native and proud graduate of Fairlands, Harvest Park and Amador Valley High School. Golden Bear Shredding is proudly owned and operated in Pleasanton. Call today for a free quote at (925) 400-8453 or learn more at www.GoBearShred.com.
