## Business Spotlight

### The Ultimate Remodeling Experience Begins at Reborn Cabinets

In 1974, Vinny and Brenda Nardo packed their two young sons and all of their possessions into their green station wagon and a 22-foot trailer. The young family set out across the country in search of a better life. The Nardo sons, Vince, 5, and Anthony, 3, slept in bunk beds in the family trailer while Vinny took on odd jobs, specializing in woodworking, here and there.

Six months later, the Nardos arrived in California and settled in a trailer park across the street from Disneyland. Initially, Vinny took jobs at local cabinetry companies. Vinny brought a "new" method of cabinetry to these companies: Refacing. Refacing was, and

remains to be, a faster and more-affordable way to restore cabinets. This new technique was so exciting and very profitable for the companies that Vinny worked for, that the couple saw and opportunity, so Vinny and Brenda decided to try to make a go of running a cabinetry company of their own.

Reborn Cabinets was founded in 1983 with a \$300 table saw and a 1,200 square-foot office. Today, Reborn is still completely family owned and operated... and thriving! In addition to the leadership of Vinny and

Brenda, Vince Nardo (President) and Anthony Nardo (CFO) have expanded Reborn Cabinets to six locations, including their 10,000
