### Financial support, resources for military personnel and veterans

**Valley Veterans Foundation** — Valley Veterans Foundation celebrated a check presentation with a ribbon cutting ceremony. Valley Veterans Foundation is a non-profit 501(c)3 organization providing financial support and resources for military personnel and veterans pursuing post-secondary education. Valley Veterans Foundation was incorporated in 2007 when community members realized there was a lack of information and assistance for veterans to acquire needed resources for successfully transitioning back into civilian life. VVF scholarships and activities are designed to help Tri-Valley veterans embark upon career paths with training, skills and resources necessary to become personally and professionally successful members of their communities.
