Business Spotlight

Meet PJ Bookkeeping and Tax Services

Tell us about yourself.

My name is PJ Singh and I am the owner of PJ Bookkeeping and Tax Services in Pleasanton. I am an Accounting Manager by profession and have prior experience in auditing. I have an MBA in Finance and I am also a licensed enrolled agent. When I was in high school, I started helping my family's business in accounting and bookkeeping, and it caught my interest to pursue a career in the same field.

What is your business?

We offer full charge bookkeeping services, accounts payable, accounts receivable, payroll services, bank reconciliations, credit card reconciliations, profit and loss statements, financial statements, as well as individual, business, payroll and sales tax.

What sets your business apart from your competition?

My vast knowledge in the field of accounting is something I pride myself on. I keep myself up-to-date on any rules and regulations changes in the field. Recently,

I was able to help out my clients going through rough times due to the pandemic. I helped them change their business plan and assist in applying for the PPP and EIDL loans, which they qualified for and received the loans within weeks, which helped them tremendously.
