Sharkey's Cuts for Kids: A place where haircuts are cool and fun rules

Sharkey's Cuts for Kids is a kid-friendly, family salon providing haircut services for the entire family. Young children can sit in a Dodge Police Cruiser, Frozen Jeep and Lightning McQueen Race Car, while watching their favorite cartoons or shows. Older children can play Xbox or watch YouTube and Netflix while getting their haircut.

"When we first moved into the Tri-Valley area, we were looking for a kid's salon for our family and didn't find anything nearby," said Akhila Musku of Sharkey's Pleasanton. "After doing some research, we decided to open a kid-friendly salon here in Pleasanton, and we're very happy with all the support we've received from the community so far."

Along with haircuts, Sharkey's also provides styling for special events. Glamour Girl Parties take place in the special "Tween Lounge," where your birthday girl and her friends will be treated like a star. Each girl will be pampered with a pretty hairstyle, make-up application, and mini manicure.

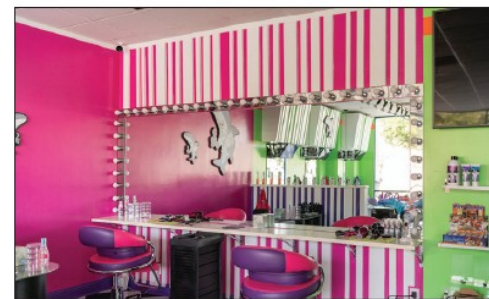

Sharkey's opened in the Rose Pavilion shopping center in Pleasanton in February of 2019. Musku says her favorite parts about Sharkey's are the excitement on the kid's faces once they walk in, the confusion of not being able to decide which favorite car to sit in, the joy of watching their favorite show, and the spark in their eyes when
