Taking Advantage of Proposition 19 To Transfer To A New Property Within California

In November 2020, the state of California approved Proposition 19, which will make important changes to the property tax transfer rules for those aged 55 and over as well as parent-child property transfers of primary residences and parent-child transfers of other real property. Beginning in 2021, the new guidelines will replace the existing rules of Proposition 13.

Prop 19 allows a homeowner who is 55 years of age or older, severely disabled or whose home has been substantially damaged by wildfire or natural disaster to transfer the taxable value of their primary residence to:

- a replacement primary residence anywhere in the state
- regardless of the value of the replacement primary residence (but with adjustments if replacement has a greater value),
- within two years of the sale and
- up to three times (or as often as needed for those whose houses were destroyed by fire).

Curious to learn more about Prop 19 & how it will affect you personally? Give us a call at 925-400-7533, or visit BayAreaHomeFinder.com/Proposition19 to join our information list & receive updates.
