Cheese and charcuterie creations from The Board Room Pleasanton

The Board Room Pleasanton is a mother-daughter business duo specializing in custom cheese and charcuterie creations. Owners Denise and Kayla Ashtiani are thrilled to now have a storefront open in downtown Pleasanton, across from the library.

Denise started the business officially in 2019, but really, she has been making boards for family and friends for as long as she can remember. Her daughter Kayla knew the talent she had for this business and always believed it could grow into something special.

The Board Room Pleasanton is open for you to sit down, and order a board from their walk-in menu and have a glass of wine or beer. Don't forget to place your order for the holidays early.

She decided to hop on board full time this year and help make that dream possible.

Through countless meals shared around the table with their family and friends, an eye for color and design, and an affinity for artfully crafted plates, they came to truly appreciate the experience of a shared meal.

The Board Room Pleasanton is open for people who want to come sit down, dine-in and order a board from their walk-in menu and have a glass of wine or beer. They are serving local Wente wines and Gilman Brewing beer. "We have Wi-Fi for our guests, and we love it when people come to hang out and work at one of our tables and order a cheese board," said Kayla.

The deli case features grab & go picnic boxes so people can come for a quick lunch or snack and take it with them. The shop is also open for order pickups that are pre-ordered through their website.

All of their artisan boards and boxes are unique and made to order. In
