Experience It! Denali National Park

Boasting more than 6 million acres, this incredible National Park has a fascinating ecosystem and doubles as a wildlife reserve. But, this park's biggest claim to fame could be Denali itself – North America's highest peak towering at more than 20,000 feet. Though the park has some marked trails for exploring, the park remains largely trail-less to encourage wilderness exploration. As you explore the park, keep your eyes peeled for a variety of animals, with the most popular residents being moose, caribou, wolf, brown and grizzly bear. Majestic beauty and natural wonders are on full display in this incredible park.

This means a standard issued driver's license used as a form of identification will no longer be accepted for domestic air travel within the United States. Instead, a Real ID compliant form of identification must be presented both at the time of booking air travel with Collette and upon checking in at the airport to board any flight. Any fees associated with changing a reservation resulting from a non-compliant identification will be the responsibility of the guest. For more information on Real ID, please visit the Department of Homeland Security website: <https://www.dhs.gov/real-id>
