Armonk: A Charming Community

2019 Cider and Donut Festival's 5K Run for Love

With its charming village of bespoke shops and restaurants, Armonk is a melting pot of small-town charm and metropolitan vibe.

Downtown Armonk, set along Main Street, is picturesquely dotted with restaurants, shops and services, just a short drive from home. The crown jewel of downtown is Armonk Square, a 3.5-acre development of bustling shops, banks and restaurants. Residents are incredibly supportive of local merchants, as evidenced by the massive line at The Bagel Emporium when it reopened after being closed due to fire damage. This community is a short ride to major highways, a 40-minute train ride to NYC and 10 minutes to the Westchester Airport.

As of the 2010 census, Armonk's CDP population is 4,330. Children attend Byram Hills Schools, constantly rated among the highest achieving districts on state assessments. The district, comprised of four schools with a total enrollment of 2,278, boasts a 100% graduation rate. During off hours the children stay active with the many local dance, music, day camps and sports programs available.

The Community That Gathers Together, Celebrates Together

Armonk is host to so many events. Annual highlights include the Fol-de-Rol, a four-day country fair in Wampus Park, offering entertainment, rides and food, hosted by the Armonk Lions. During the summer the Chamber of Commerce-sponsored Third Thursdays bring crowds downtown to enjoy concerts, activities like the Chili Cookoff and other family events. Their Cider & Donut Festival & 5K Run has become a milestone event heralding the start of Fall. Halloween is a

major community event, with some streets closed to traffic so children can safely trick-or-treat. And capping off the year is the beloved Frosty Day and Parade followed by the holiday tree lighting ceremony and sing-along at the gazebo in Wampus Brook Park.

Culture is Abundant in Armonk

The Armonk Players community theater stages live productions and workshops throughout the year. Art lovers from all over Westchester descend on the Armonk Outdoor Art Show, a 2-day showcase of fine art and fine crafts from 180+ artists. Now in its 59th year, it's a fun time for the whole family. The North Castle Historical Society curates and shares many fascinating stories about our town. For example, did you know that before the BHHS was built in 1965, students attended high school in Pleasantville?

In Good Company

Notable current and former residents of Armonk include: Emmy Award-winning TV news anchor, Ernie Anastos; Bernie Williams, former New York Yankee; David Harbour, from the hit Netflix series *Stranger Things* and Laura Branigan, famous for the 1982 platinum-hit "Gloria," both attended high school in Armonk.

Armonk is a great place to enjoy the security and serenity of the country, with access to arts, culture, shops and restaurants. The Armonk Chamber of Commerce is a key community player enhancing the value of living in the Town of North Castle.

2020 Citizens of the Year

Every year, the **Armonk Chamber of Commerce** recognizes one individual and an organization, who positively impact and improve our community.

This year, we salute two who have made an indelible mark on Armonk.

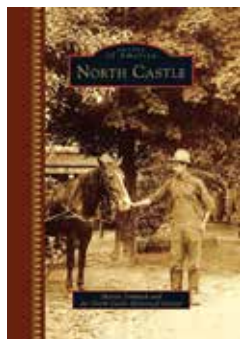

Sharon Tomback, Citizen of The Year

Sharon was born far from Armonk in a small farming community in Alabama. She resided in Nashville and Briarcliff Manor before settling in Banksville in the mid-1980s, lured by its country-feel and peaceful quiet.

History is her passion! She enjoys working with like-minded people who share her passion and a philosophy that we are on this earth to leave it better than we found it.

She became involved with the Historical Society through a friendship with a previous Town Historian, Richard (Dick) Lander. She says "I walked into Historic Smith's Tavern and fell in love."

In her roles as Co-Historian for the Town of North Castle and The North Castle Historical Society, Sharon is keeping Armonk's history alive and interactive with programs such as Colonial Crafts Days. During these class trips, local 4th

Sharon literally wrote the book on Armonk

graders are immersed in the life of a Colonial person, learning butter and candle making, blacksmithing, tin smithing, quilting, barrel and bucket making, log sawing and broom making. Another of the wonderful programs offered is Halloween Haunt when the Ree and Buddy Schultz family and friends produce a haunted house in the 1798 Quaker Meeting House and several other activities across the grounds of Historical Society headquarters.

Sharon is a very active figure in the community.

Her extensive membership roster includes The North Castle Historical Society, The Middle Patent Rural Cemetery Association, North Castle Town Republican Committee,

Hudson River Patriots Chapter of the National Society Daughters of the American Revolution, the Town of North Castle Miller House Committee, Friends of Miller House, Daughters of Liberty's Legacy and Friends of Frosty. Sharon works part-

time for Peter Simonsen, North Castle Chief of Police.

Sharon's genuine passion for history is an integral part of her life and it is her hope that every North Castle resident becomes a member of The North Castle Historical Society.

Find out how you can get involved at northcastlehistoricalsociety.org

Armonk Square — ASQ LLC, Organization of The Year

An Armonk newcomer might have a hard time envisioning the town without the epicenter that is Armonk Square. So organic in design and indelible on the lives of residents, people are often surprised to learn that the first shops opened a mere seven years ago. New residents often ask veteran residents “what did you do before this was here?”

But Armonk Square almost wasn’t. Five different owners tried unsuccessfully to develop the 3.5-acre lot, that formerly housed a dirt lot, unkempt buildings and counted dozens of feral cats as tenants. In swooped ASQ LLC, comprised of long-time Armonk residents Dominick and John Dioguardi, Alan Zaretsky and their sons Thomas Dioguardi, Josh and Jon Zaretsky. These

Breaking ground in 2011

visionaries saw the potential, not just as a real estate investment, but as the chance to create

a gathering place that could become the heartbeat of Armonk and provide a boon to local businesses.

Navigating the planning board and approval process proved to be arduous. Over the course of seven years, they endured countless board meetings, plan revisions and petitions. Yet with the support of their extended families: Holly, Rosemary, and Alyssa Dioguardi, and Edna,

Left to right: Thomas Dioguardi, Josh Zaretsky, Jon Zaretsky, Alan Zaretsky, John Dioguardi, Dominick Dioguardi in 2020

Linda, Dorothy, and Erica Zaretsky, they stayed the course. The project broke ground on October 22, 2011 and the first stores opened in the summer of 2013.

If Armonk Square is the heartbeat of Armonk, then DeCicco & Sons flagship store is the crown jewel of Armonk Square. Originally planned for a space across Route 22, the ASQ team knew the final central location would become the nexus of Wampus Brook Park and Main Street, creating a cohesive environment that would help local shops thrive. And thrive it has. Since it’s opening, Armonk has seen an influx of younger residents who now view Armonk as a desirable and happening place to live. Visitors from all over Westchester frequent the shops and enjoy the many community events, including the Third Thursdays and Frosty Day & Parade.

The key to the magic is this; the Dioguardi and Zaretskys don’t view themselves as landlords but instead they are active caretakers, who all walk the property daily. Their family touch is everywhere from the holiday decorations that adorn lampposts to the colorful flower pots in warmer months.

Alan Zaretsky summed it up best, “we’re all proud of it. Seeing the vibrancy we brought to the town is a wonderful feeling”

7th Annual **Stayin' Alive 5k Fun Run**

May 16th, 2020 • 8am • Windmill Farm, Armonk

One Great Day—Two Races! 5K & Kids Fun Run Registration Opens in April

Stayin' Alive funds the First Responders of Northern Westchester with rescue equipment not funded through town budgets.

To date, almost **\$200,000** in life-saving equipment has been granted to local Fire Departments and Ambulance Corps including:
Armonk, Banksville, Bedford, Chappaqua, Lewisboro, Mt. Kisco, Pleasantville and Thornwood.

Stayin' Alive was started by Armonk residents, Michele Berliner and Christy Saltstein, after their husbands, critically injured during Hurricane Sandy, survived due to the determination and expertise of the North Castle First Responders.

**SHOP SMART
SHOP LOCAL
SHOP ARMONK**

10 Reasons to Shop Local

- 1** Shopping local **creates jobs**. Shopping and utilizing services in Armonk is good for the local economy.
- 2** **Local businesses invest** in Armonk and the Byram Hills school district. A well-kept, prospering town and a great school district keep property values high.
- 3** Armonk shops sell a wide range of great products. Many great products and services are available right near home.
It's so convenient!
- 4** Shopping local can **save you money**. Local doesn't always mean expensive. Armonk offers many affordable options, plus you'll save on gas.
- 5** Shopping local **sustains our community**. If Armonk Square, Main Street and local businesses are important to you, supporting them will help them to thrive.
- 6** Shopping local **retains our distinctiveness**. Our local businesses add character and appeal to the downtown area.
- 7** Shopping local **helps the environment**. Local shops and businesses have a smaller carbon footprint than big box stores. Plus, less gas equals less waste.
- 8** Local shops are **accessible to everyone**. Most local residents can easily get to Armonk's business areas. This is especially important to the elderly, and school children who walk to town.
- 9** **Local shops value you more**. A welcoming "hello" and a friendly smile go a long way. You won't get that kind of recognition at a big box or department store.
- 10** Shopping local **saves services**. Service businesses tend to cluster around shops. If shops disappear, so may hairdressers, banks, restaurants, etc.

Byram Hills Central School District

Creating the Leaders of the Next Generation

Byram Hills has a long established history of excellence. A shared commitment over numerous years to both advanced learners and academic support programs allows the district to successfully meet the needs of all learners. District initiatives include global competence through the Global Scholars program, STEAM, Student Leadership, Character Education - including cultural proficiency and student wellness, Sustainability, Authentic Learning Experiences, and Differentiation.

The nationally recognized Authentic Science Research Program at Byram Hills has placed the high school in an elite category internationally. In 2020, we had six Regeneron top scholars. This puts our total at 117 semifinalists and 20 finalists.

The district also maintains award winning athletic, fine arts, and extra-curricular programs to allow students to pursue their passions and interests.

Byram Hills Parent Teacher Student Association Making Our Great Schools Even Better

The BHPTSA is a partnership between the families, teachers, and administrators of the Byram Hills School District.

- Our volunteers help coordinate book fairs, photo day, class parties, and field trips - such as Smith's Tavern.
- We also collaborate with the school district on various school assemblies and cultural enrichment programming; such as visits by various authors, field trips to Caramoor and the Intrepid, anti-bullying assemblies, and much more.
- The PTSA also provides scholarships to students and grants to our schools.

The BHPTSA would like to thank all the businesses in the Armonk community for their continued support throughout the year. Your support has aided us in providing many of these fun and educational events and programming to the children of the Byram Hills community.

Byram Hills Preschool Association

Come Learn & Have Fun

The Byram Hills Preschool Association is a not-for-profit organization benefitting preschool-aged children, their parents and caregivers in the Byram Hills School District. With over 250 member families, they provide an array of social, cultural and educational activities for members.

The BHPA's board of dedicated volunteers plan exciting events throughout the school year including:

- Playgroups – grouped by age
- School Orientation Sessions (SOS) for incoming kindergartners
- Carnivals and events for children and their loved ones at local venues
- Mom's Nights Out, working moms events and book club meetings
- Annual Fundraisers - Winter Family Festival & the Spring Fundraiser
- Health and Fitness classes and events
- Eye Screenings at local preschools
- Opportunities to give back to our local community through our Little Helping Hands Committee

Plus, so much more!

Over the years, the BHPA has supported the community by making donations to many local non-profit organizations that serve and benefit children in the surrounding area.

The BHEF is a community-supported not-for-profit that plays a vital role in our schools as the district’s innovation engine; funding grants BEYOND the district’s budget that enhance the educational experience and personal development of all of our children.

With community support, The BHEF funds:

- New ways to learn—FUNdations for fast-track reading at Coman Hill and Challenge Success to help our middle and high school students manage stress.
- State of the art technology—transformational libraries, chromebooks, and innovative courses in robotics and digital photography.
- Incredible spaces—the Coman Hill indoor playground, the new art and community spaces at Wampus and 21st century classrooms and STEAM labs at both H.C. Crittenden and Byram Hills High School.

Since 1994 the BHEF has awarded 420 grants, totalling \$4.9 million in funds to Byram Hills schools.

North Castle Recycles

Recycling:

- conserves resources
- saves energy
- protects environment
- reduces landfill
- creates jobs!

Dual Stream Recycling means items must be separated for curbside collection

North Castle Now Has Alternating Week Recycling Pick-Up as Follows:

Brown Weeks

Cardboard and paper collection, along with weekly waste removal

Blue Weeks

Clean Bottles, cans and plastic #1-#6, along with weekly waste removal

All recycling items must be loose in recycle bins, not in plastic bags.

For your convenience, bins may be purchased at the Town Clerk's office.

Go to northcastleny.com for a schedule and to find out which items are accepted for recycling.

2020 E-Waste and Town-Wide Clean-Up Day

Saturday, April 25 (Rain date, April 26)

E-Waste 9am-1pm; **Clean-Up** 9am-3pm

Shredding, 10am-1pm

E-waste, clean-up, shredding:

Behind Town Hall, 15 Bedford Rd., Armonk

townclerk@northcastleny.com

(e-waste, shredding info)

cleanupnorthcastle@gmail.com

(clean-up info)

At all other times, E-Waste, in addition to household hazardous waste, must be brought to the Westchester County Household Material Recovery Facility (H-MRF), 15 Woods Rd., Valhalla, NY.

Bring Your Own Bag!

Americans use about 330 single-use plastic bags each per year. That's 3.5 million in North Castle alone. Plastic bags do not decompose or biodegrade; they break up into micro plastic and are eaten by fish. Plastic bags cannot be put in your curbside recycling bin because they clog up the recycling machinery.

You can make a difference and help the environment by bringing your own bags. Plus, CVS and DeCiccos have receptacles to recycle plastic shopping bags.
