Fairwell to the Chamber Junior Ambassadors

The Eastland Chamber of Commerce Junior Ambassador Board has officially graduated, and we want to wish each student the best as they move forward with their future careers. We had the pleasure of working with six phenomenal students over the last several months. We hosted meetings for the students to learn how to be an efficient board member, learn and hear from local City, County, and State Government leaders, tour the hospital, and many more activities. Also, a Thank you for all their hard work and representing the Chamber this year.
