

## 2021 Community Clean-Up Corporate Challenge

Community Clean Up Day this year will be a bit different, but our parks still need cleaning! We are hopeful to have the usual celebration in 2022 where volunteers enjoy breakfast and lunch at McCormick Park!

This year, participants will register with the Park District ([crystallakeparks.org](http://crystallakeparks.org)) or call 815-455-1763 to choose a park to clean.

We still plan to award the business with the largest turn out and most trash collected as part of our Corporate Challenge!
