Covid-19 requirements will be in place depending upon current mitigation restrictions.

All placements are final.

Children under the age of 10 years must ride in a vehicle as the parade route may be too long for them to walk. No exceptions!

If you have animals in the parade, you are responsible for cleaning up after them immediately while in the staging area and along the parade route. It is also your responsibility to provide water for the animals before and during the parade. Due to the extreme heat on the pavement, all dogs must ride in a vehicle or on a float. If you do not comply you will be denied entry into next year's parade.

No one is permitted to get in or out of vehicles or on and off floats once the parade starts. This rule will be strictly enforced.

Do not throw candy or treats to spectators. Throwing of candy or any objects and spraying of any liquid is not permitted because children have been known to run in front of parade vehicles. You may hand out candy as you walk the parade route.

Water guns and related items are not allowed.

Open flames of any kind are not permitted.

Selling of any merchandise, food or beverages along the parade route or in the staging area is prohibited.

You may hand out advertisements or promotional flyers.

Any group holding up the parade will be asked to pick up their pace or step out of line.

Political party entries may advertise their political party only, not their views or opinions.

Alcohol consumption by parade participants either along the parade route or in the staging area is prohibited.
