What are the rules at Topgolf?

1. All players must hit from the mat at all times. No running starts (we all loved that movie too).
2. Only the person hitting a ball should stand beyond the red line. All other players should stand behind the red line at all times. Players are responsible for the safety of others around them and should always check their surroundings before swinging a club.
3. Aim for the targets at all times - how else are you going to score? Hitting golf balls over the boundary netting is prohibited, and all players are responsible for damages or injuries caused by any balls hit outside of the premises. (Topgolf balls report back to us when they've lost their way outside our nets...)
4. Throwing golf balls is prohibited.
5. Players must stay behind the yellow line at all times. Please take extra care when playing from upstairs bays.
6. Topgolf is a smoke-free environment. This policy encompasses all forms of smoking; therefore e-cigarettes, pipes, hookahs, and chewing tobacco are not permitted on the premises.
