How to Qualify

- Merchant must be in good standing with Breckenridge Tourism Office, or a member of the Summit Chamber. All merchant pass information is distributed through the BTO or SCC.

Program Highlights

- Available for purchase all season
- Unlike Individual passes, the merchant pass belongs to the business, and may be transferred once, from one employee to another employee of the same business, for \$110 for each transfer occurrence.

Purchasing a Merchant Pass

- Merchant must read program policies thoroughly, then complete Form B (Merchant Application) and email to breckats@vailresorts.com . Merchant will be notified when approved (allow 24 hours).
- Merchant completes Proof of Employment form (Form C) for each employee obtaining a pass. The employee will bring this form to the pass office along with ID and a pay stub. Do not email the employee form.
- Merchant will have an account set up, or re-activated, with a business credit card on file. The pass office will NOT be accepting cash or checks throughout the 20/21 season.

Transferring a Merchant Pass

Merchants are to call 970-496-5458 or 970-496-7339 to deactivate passes of employees who no longer work for their company.

- Each pass may be transferred one time to another employee working for the same business.
- A transfer fee of \$110 will be charged to the merchant's credit card on file.
- A completed and signed Form C and photo ID are required at time of transfer
- A pass can only be transferred to a like pas, ie. Epic to Epic or Local to Local.

Merchant Pass Refunds

- All applicable refunds will be given to the merchant, not the pass holder.
- If there is a medical injury and the pass is unused, we can refund 100%.
- If there was a medical injury and it was used, the refund will be calculated by charging the pass insurance per diem rate for each day used.
- If the pass was unused and no medical applies, we can refund the total value of the pass less a \$25 processing fee.

Pass Holder Refunds

Refunding an individual's previously purchased season pass who is ow eligible for a Merchant Pass follows this timeline:

- 100% refunded if request for refund is prior to December 31, 2020.
- 50% refunded from January 1, 2021, through March 15, 2021.
- No refund after March 15, 2021
