- Impact Award** – This category is for an event that had a great and unique impact culturally or financially on a community. For festivals and events whose theme is based on promoting specific culture, ethnicity or heritage or even multiples of these categories.
- Most Innovative Marketing Piece or Campaign** – When the same old advertising just doesn't work this is for the unique, effective promotions your event implemented to accomplish your goals.
- Innovation Award** – This category is for those new twists on old themes, innovative ideas and non-carbon copy approaches that worked!
- Sponsor of the Year** – Not just a great sponsor for cash, but one that adds value through creative promotions, staff involvement and collaboration with your event. The value of statewide recognition for your sponsor? Priceless! All nominated sponsors will be named and recognized at the annual conference.
- Supplier of the Year** – Do you have a service member or event supplier that always goes above and beyond the call of duty for you? One that partners with you for your success? We want to meet them and honor them with this award. All nominated suppliers will be named and recognized at the annual conference.
- The WOW Factor Award** – The WOW Factor Award is for the events that really stand out, from the moment your guests arrive and throughout your venue. Did your WOW efforts help grow your event, increase social media mentions and just looked cool? This is the Award for you. Created in honor and in memory of one of the masters at the craft, Katie Nooshazar.
- Oregon Volunteer of the Year** – *(Must be submitted by a member organization)* Recognizes an individual who has given dedicated service to a festival or event. Each member organization is invited to submit one nominee who will be recognized with a certificate as their event's volunteer of the year. One nominee will also be chosen to receive statewide recognition. All nominated volunteers will be named and recognized at the annual conference.
- Shapeshifter Award** – How do you react when you're thrown a curve ball? This category is for an event that was new this year, renewed, reimagined, reworked, adapted, and had to get creative in their execution.
