Help support Kiwanis of the Coast Fork and Stovall Family Scholarship Program in providing scholarships to high school seniors in Cottage Grove, Creswell and the South Lane area, focusing on the skilled trades of today.

a brief history

Charlie Stovall

Born in Missouri, in 1917 Charlie grew up on a farm in SE Nebraska and learned the values of hands-on work and skills.

During WWII he served in England with the US Army Air Corp as a clerk. After service to his country he graduated from Kearney State Teachers College and taught in small Nebraska country schools.

The family moved to Cottage Grove in 1955 and Charlie taught Business classes at Cottage Grove High School retiring in 1976 after 23 years in front of the blackboard.

Charlie was instrumental in the creation of the "Work Experience Program", realizing that not all students were interested in a college degree.

We lost Charlie in 1986, an immeasurable loss to our community and our youth.

In 1994, the family developed the Charlie Stovall Annual Scholarship Tournament to assist in funding students who strived to take a different path and seek a profession as a skilled tradesman. Something this country desperately needs today.

Recently, with the cooperation of the Stovall family and Kiwanis of the Coast Fork, an endowment has been created to protect the invested funds. This ensures the funds from ever being used for anything other than scholarships for hands-on trades.

These scholarships are managed through the Cottage Grove Community Foundation and the OCF.

Help us build our Endowment Fund directly through our 501-C(3) or by sponsoring the Stovall Golf Tournament. All net proceeds will be deposited in the endowment fund.
